Questions:

Why is there such a huge discrepancy between
the capacity level and percentage of students who
qualify for free + reduced lunch at Aloha and
the rest of the district, specifically Sunset High?
This is not equitable treatment for Aloha!

Questions: This public comment session is too disorganized.
It does not appear that you prepared for such a large
turnout. I think you should consider allowing web
comments or perhaps a web-based survey. I know
this is a difficult task - so please don't take this
as criticism. I'm sure I would have done a
much worse job! Good luck on a very difficult
job!
