Ladies and gentlemen,

We live at 248 NW Pacific Grove Dr. In the Stonegate/Waterhouse neighborhood. We understand that the district intends to redraw the boundary so that our neighborhood would go to Aloha High School instead of Westview. Please consider us in strong opposition to this re-districting. Our 3 kids all went to Westview and we continue to support Westview financially. Westview is the stronger academic program and is one of the reasons our neighborhood is highly desired by families.

Please continue to include our neighboring area in either Westview or Sunset High Schools.

With best regards,
Bruce and Michelle McIntosh

We are writing to express our concern over the possible boundary change that would have our neighborhood, Stonegate at Waterhouse, rezoned for Aloha High School.

We always thought it strange that although we are 1.5 miles from Sunset High School, our neighborhood kids go to Westview, 3 miles away. If boundaries change because of overcrowding at Westview, the logical reasoning is that we would be rezoned for the school that is closer to us, Sunset. Aloha High School is 5 miles away. Being rezoned to Aloha makes zero sense from a transportation or neighborhood/community standpoint.

We urge the committee to recommend that our neighborhood either remain at Westview HS or, if that is impossible, be rezoned for Sunset HS.

Thank you,

Roger and Elizabeth Moreno

Hello!

I heard about this through a friend who heard this through the Stonegate HSA group. I'm concerned that this news hasn't been mentioned in any of the newsletter that I've read so far. Please add me to the mailing list regarding this process/decision. I live about 2 blocks from the Elmonica Elementary school and want to know if my neighborhood is affected by this change. I'm not able to attend tonight's meeting but would like to be informed.

regards,

DT Hamai

concerns about the High School Change

Hi,

I am a mom of two in Stonegate Neighborhood. I am very concerned about the high school change caused by boundary adjustment. Aloha High school is far away and to be honest with you we prefer Sunset High School. We paid so much property tax and switching high school will lower the property value, but you guys won't care about that, so I just want to ask: will you buy a house or live in the area which your kids will go to Aloha High School? It sucks! I think all the parents don't want to send their kids to Aloha.

So please stand on the parents' point and make the right decision.

Flora

Boundary Change

This email is in response to the boundary changes that are being considered over the next few months.

We recently moved into the Stonegate/Waterhouse neighborhood. We were a little surprised that the neighborhood attended Westview and not Sunset, as Sunset is closer.

Understandably, we were even more concerned when we heard that there is possible consideration for the neighborhood to attend Aloha. Aloha is significantly further away.

We would love to stay at Westview; however, we recently moved from the Bethany area, and understand the overcrowding issues facing Westview. If Westview is not an option please consider this neighborhood to attend Sunset. Sunset would be close enough that my kids could walk or ride their bikes to school.

Thank you for your consideration,
Wilson and Mandi Timothy

WELCOME...to a special meeting of the Beaverton School District.

The High School Boundary Advisory Committee welcomes written comments and questions. When finished please place your sheet in the labeled basket on the table near the entrance.

School attendance area: MS/FIVE OAK HS/WESTVIEW

Question /Comment:

We have two daughters, one is Junior in Westview HS, One is 6th grade in HS2. We hope our younger daughter can also attend Westview HS, because we love Westview HS and know much about it ~~for~~ during ^{the years} our elder daughter ^{is} attending this school. Thus we have been working on our younger daughter's career/study plan in Westview HS. We do not expect she change ~~se~~ High school because of high school boundary adjustment.
