

## High School Boundary Adjustment Advisory Committee Transition Recommendations to the Superintendent

The Committee's student transition recommendations include:

- Juniors and seniors will be grandfathered into their current high school.
- Students who enter high school as freshmen in September 2017 will attend their neighborhood school, as defined by the new boundaries.
- Students who enter high school by the fall of 2019 who have an older sibling currently attending a high school may choose to attend the same high school for their entire high school career.
- The Committee deliberated on options for sophomores in the fall of 2017, but in the absence of information on the implications for schools, staffing and other issues, they elected to forward the issue to the Superintendent for further study and consideration.

**District Goal:** WE empower all students to achieve post-high school success.
