## Residency and Educational Rights

Students that lack a fixed, regular, and adequate living situation have the following rights:

- Immediate enrollment in the school they last attended or the local school where they are currently staying even if they do not have all of the documents normally required at the time of enrollment without fear of being separated or treated differently due to their housing situation;
- Transportation to the school of origin for the regular school day;
- Access to free meals and other programs for which they are eligible, ability to participate fully in extracurricular activities, and assistance with any needs so that they are not stigmatized.

Any questions can be directed to the District Liaison at 307-328-9200 or the State Coordinator at 307-777-3642.
