

AFTER SCHOOL CLUB PARK HILL JUNIOR SCHOOL YEARS 3 - 6

IT'S EXCITING. IT'S AN AMAZING LEARNING EXPERIENCE. IT'S A GREAT CONFIDENCE BOOSTER.

Quiz Club runs the largest National Championship for primary school aged children in the country and we are now setting up after school clubs, so children can enjoy the excitement and benefits of the fantastic learning experience on a weekly basis.

The clubs run for one hour each week directly after school with the children taking part in a thrilling multiple choice general knowledge quiz using a personal handset and presented by one of our professional quizmasters.

As well as the quizzes being fantastic fun for the children, they are also highly educational and inspiring. Momentous events in history, incredible geographical landmarks, amazing science, beautiful art, inspiring music and literature, cultures from around the world, current affairs and world knowledge all feature in our quizzes and serve to broaden your child's understanding of our past, present and future.

Throughout the quizzes, the quizmaster embellishes the answers with plenty of additional detail, capturing the children's imagination and lighting the fire for further knowledge.

The children select their answers using a personal handset so taking part is not daunting, even for nervous or shy children. The Quizmaster is empathic to each child's preferred way of participating and encourages all of the players to have fun and at the same time broaden their general knowledge.

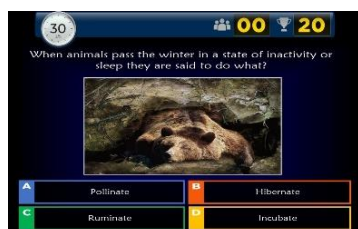

At the end of the term in the Club, each player receives a Quiz Club certificate to mark their achievement in participating.
