

THE YMCA AFTERSCHOOL ENRICHMENT PROGRAM

Conveniently located at the Wayne YMCA, we ensure kids are safe, nurtured and supported after school! Our new After-school enrichment program will operate on Tuesday and Thursdays after-school with an option for transportation from your child's home school to the Wayne YMCA.

- Winter Session begins Tuesday, March 1st and will run for nine weeks!
- Programs are available for K-5th grade. Our program focuses on exploration and self expression through both STEAM and Fine Arts!

Fine Arts Tuesdays - During this six week session children will explore different forms of self expression through art! One week they are sculptor, one week they are a painter. Are they the future Monet or Basquiat? Let's find out!

STEAM Thursdays - During this six week session children will explore Science, Technology, Engineering, Arts and Math through age appropriate activities around different seasonal themes! Get ready for lots of fun & make sure your child is in clothes that can be used for messy fun!
