

Take a Practice Ride!

August 9, 2022

Going to a new school often brings uncertainty for new students. Riding a school bus for the first time can add to those feelings. Let us help you and your student feel more confident and prepared for the first day of school!

Each year our drivers pre-run their morning elementary route before the new school year starts, which will be August 9, 2022. Several years ago we started picking up kindergarten and new elementary students on this trial run. We leave the terminal at 10 a.m. and our first stop is around 10:05 for students in the center of Crown Point. For Winfield and Cedar Lake students, it is closer to 10:15 a.m.

During this pre-run, the drivers are learning their new stops and the route is slower than a regular day. They will only stop at their morning stops and then proceed to their elementary school. Unfortunately, we cannot give an exact time for a pickup on August 9, 2022. We recommend all students be at their assigned morning stop at 10:10 a.m. and wait for the bus. The wait could be up to 45 minutes.

Please call the transportation office at 663-1465 if you have any questions. Information for bus stops for 2022-2023 will be available on August 8, 2022 on the district website under the "Transportation" tab. Visit www.cps.k12.in.us/transportation.
