Are you offering camp the weekend between the overnight camps?

We do not currently plan to have the dorms open the weekend between the overnight camps. However, if there is enough interest, we may reevaluate. There is a question regarding interest on the online registration form.

What are your Covid-19 protocols?

Currently for the school year, Linden Hall requires masks. Students and employees complete daily temperature and symptom checks. Frequent hand sanitizing and classroom disinfecting routines are in place. Vaccines are strongly encouraged.

As of now, we plan to follow the same procedures for summer camp. Additionally, all overnight campers will have the option to room by themselves regardless of vaccination status. Overnight campers must be vaccinated to have a roommate.

We will make further decisions regarding Covid-19 protocols as we get closer to camp. We will be in touch with camper families as we get closer to July and further summer guidance for schools and camps becomes available. Our goal is to remain flexible and responsive to the most current data to keep campers safe.

Are you offering a summer equestrian program?

Riding lessons are not offered as part of Summer at Linden Hall's GIRLS Camp. However, riding lessons separate from the GIRLS Camp will be available. More information will be coming soon. For specific questions, please contact the Equestrian Director, Erika Kurtz, at ejkurtz@hotmail.com.
