## Guidelines

It is expected that all works will be completed entirely by the student. Parents and teachers may serve as a resource for advice and encouragement; however, they must refrain from any actual work done on the entry. Judging will be based on the following three criteria:

- ✓ Creativity: To what degree does the work express originality in subject, method, or materials?
- ✓ Technique: Has the artist used the medium in a purposeful way?
- ✓ Neatness: Is the work finished and cleanly presented?

Submitted entries will be judged within each grade and within each category as *Superior*, *Excellent*, *Good*, or *Fine* and all effort will be made to provide written feedback to each participant. It is possible that more than one work within each grade and category may be judged *Superior*.

## Submission and Display

Please have art works delivered to **St. Croix Lutheran Academy**. All properly submitted works will be displayed and critiqued. Artworks must be picked up after the festival concert.
