

**SAN DIEGO COUNTY BOARD OF EDUCATION
RESOLUTION NO. 2020-08**

**Resolution to Approve the Proposed Uses of the
Education Protection Account (EPA) Funds for Fiscal Year 2019-20**

WHEREAS, the voters approved Proposition 30 on November 6, 2012;

WHEREAS, Proposition 30 added Article XIII, Section 36 to the California Constitution effective November 7, 2012;

WHEREAS, the provisions of Article XIII, Section 36(e) create in the state General Fund an Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f);

WHEREAS, before June 30th of each year, the Director of Finance shall estimate the total amount of additional revenues, less refunds that will be derived from the incremental increases in tax rates made pursuant to Article XIII, Section 36(f) that will be available for transfer into the Education Protection Account during the next fiscal year;

WHEREAS, if the sum determined by the State Controller is positive, the State Controller shall transfer the amount calculated into the Education Protection Account within ten days preceding the end of the fiscal year;

WHEREAS, all monies in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools and community college districts;

WHEREAS, monies deposited in the Education Protection Account shall not be used to pay any costs incurred by the Legislature, the Governor or any agency of state government;

WHEREAS, a community college district, county office of education, school district, or charter school shall have the sole authority to determine how the monies received from the Education Protection Account are spent in the school or schools within its jurisdiction;

WHEREAS, the governing board of the district shall make the spending determinations with respect to monies received from the Education Protection Account in open session of a public meeting of the governing board;

WHEREAS, the monies received from the Education Protection Account shall not be used for salaries or benefits for administrators or any other administrative cost for school and community college districts. The California Department of Education has determined that expenditures by county office of educations for certain administrative activities they are required to perform on behalf of the school districts are not administrative costs for the purposes of Proposition 30; therefore, may be used for salaries or benefits for administrators or any other administrative cost under these activities;

WHEREAS, each community college district, county office of education, school district and charter school shall annually publish on its Internet website an accounting of how much money was received from the Education Protection Account and how that money was spent;

WHEREAS, the annual independent financial and compliance audit required of community college districts, county offices of education, school districts and charter schools shall ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by Article XIII, Section 36 of the California Constitution;

The San Diego County Office of Education is using the EPA funding for salaries and benefits for Business Advisory Services staff that provide technical assistance and oversight for school districts on fiscal issues. The staff provide AB 1200 fiscal oversight, including reviewing each district's adopted budget, interim budget reports, unaudited actual report, audit resolution process, proposed collective bargaining agreements and assistance on various topics such as property taxes, special education funding and categorical funding.
