Founded in 1961, the International School of Berne is an independent, coeducational school offering an education in English to meet the needs of the international community. ISBerne is accredited by the Council of International Schools (CIS) and the New England Association of Schools and Colleges (NEASC), and is authorised to teach three of the programmes of the International Baccalaureate (IB); the Primary Years, Middle Years and Diploma Programmes. It is located in Gümligen, a suburb of Berne, Switzerland's capital city. The school is a test centre for IB, PSAT and SAT.

The School Community

There are approximately 250 students from over 50 nations attending pre-school through grade 12. Students come from business, professional and diplomatic families. Most have broad cultural backgrounds and are fluent in more than one language. Many students have English as a second or third language. The average tenure for a student is three years.

The School Year

ISBerne runs on a Northern Hemisphere programme, with the school year beginning in late-August and finishing in late-June. There are 180 academic days in the school year.

The Academic Programme

The academic programme at ISBerne is organised as follows:

ELC 1 & 2 Early Learning Centre (age 3-5).

Grades K – 5 IB PYP: International Baccalaureate Primary Years Programme (age 5-11).

Grades 6 – 10 IB MYP: International Baccalaureate Middle Years Programme (11-16).

Grades 11 – 12 IB DP: International Baccalaureate Diploma Programme (age 16-18).

Students in PreK – 5 focus on Units of Inquiry organized around central themes. Students have specialists for languages (French, German), Visual Arts, Music and Physical Education.

Students in Grades 6 – 10 complete courses including English, Mathematics, French, German, Modular Science (up to Grade 9, Grade 10 take Chemistry and either Biology or Physics), Individuals and Societies, Visual Arts, Theatre Arts, Music, Design and Physical and Health Education.

Students in Grades 11 – 12 complete the internationally recognised International Baccalaureate Diploma Programme, leading to the IB Diploma or IB Diploma courses, and/or the ISBerne High School Diploma.

The following IB courses are offered at both Higher Level (HL) and Standard Level (SL) unless otherwise noted:

- English A Literature HL; English A Language & Literature SL; English B HL
- French A Language & Literature; French B
- German A Language & Literature; German B; German ab initio SL
- Economics
- Geography
- Chemistry
- Physics
- Biology
- Mathematics Analysis & Approaches
- Mathematics Applications & Interpretations SL
- Visual Arts
- French Ab Initio SL
- Environmental Systems and Societies SL.

All IB Diploma candidates in Grades 11 & 12 complete the Theory of Knowledge programme (ToK) and Extended Essay (a 4000-word original research paper). All students must satisfy the Creativity, Activity & Service (CAS) programme requirements of either the IB Diploma or the ISBerne Diploma programme. Diploma course and ISBerne Diploma candidates are not required to complete the ToK programme or Extended Essay.

The Extra-Curricular Activities Programme

The school offers a broad range of extra-curricular activities, including Student Council, CAS, After-school Activities and sports (e.g. volleyball, basketball, soccer, uni- hockey, skiing/snowboarding). As a member of the Swiss Group of International Schools (SGIS), ISBerne is a part of a strong network of competitive sports.

Grading

The school year runs from August to June and is divided into two semesters, with attainment marks being awarded at the end of each semester. Students are assessed using the International Baccalaureate grade scale, 7 (high) – 1 (low).

Due to the diversity of educational backgrounds the school does not provide class rank nor calculates grade point averages. There are no weighted grades.

SAT Scores

The average scores for the 5 students who took the SAT reasoning test in December 2020 and May 2021 are; Evidence based reading and writing (ERW): 612, Mathematics: 624

The average score for the student who took 3 SAT subject tests is 773
