

2022-2023 CHROMEBOOK POLICY (FIRST AND SECOND GRADE)

FIRST AND SECOND GRADE 1:1 WITH CHROMEBOOKS 2022-2023

The first and second grade at Frederica Academy will be 1:1 with Chromebooks for the 2022-2023 school year. Chromebooks will only be used at school and will not be taken home by the students.

The mission of the 1:1 program in the 1st & 2nd grade is to create a collaborative learning environment for all learners. This environment will enable and support students and teachers to implement transformative uses of technology while enhancing students' engagement with content and promoting the development of self-directed and lifelong learners. Students will transition from consumers of information to creative producers and owners of knowledge.

SOFTWARE

G Suite for Education

- Chromebooks seamlessly integrate with the G Suite for Education of productivity and collaboration tools. This suite includes Docs, Forms, Groups, Sheets, Sites and Slides. All work is stored in the cloud.

Chrome Web Apps and Extensions

- Educational apps will be pushed out to all student Chromebooks as requested by the teachers.
- Students will not be able to install apps on the Chromebooks.
- Some web apps will be available to use when the Chromebook is not connected to the internet. The most popular app for “no Internet” is Google Drive which allows students to work on papers, access study notes, and any other document in Google Docs.

RECEIVING YOUR CHROMEBOOK

Parent/Guardian Requirement

- All parents/guardians are required to sign the Frederica Academy Chromebook agreement before a Chromebook can be issued to their student.

Student Requirement

- Classroom teachers will review the rules and expectations of Chromebook use and issue Chromebooks to the students in August.

TAKING CARE OF YOUR CHROMEBOOK

Students are responsible for the general care of the Chromebook they have been issued by the school. If your Chromebook is broken or fails to work properly, you must notify your classroom teacher as soon as possible so that it can be taken care of properly. Any damages incurred in the classroom due to neglect resulting in repairs will be billed for the replacement parts. No labor charges are billed.

Loaner Chromebooks will be issued to students while their school-issued Chromebook is in for repair in the Media Center.

General Precautions

- No food or drink should be next to Chromebooks.
- Cords, cables, and removable storage devices must be inserted carefully into Chromebooks.
- Chromebooks should not be used with the power cord plugged in when the cord may become a tripping hazard.
- Heavy objects should never be placed on top of Chromebooks.

Carrying Chromebooks

- Carry Chromebooks in class with two hands.
- Never lift Chromebooks by the screen.
- Never carry Chromebooks with the screen open.

Screen Care

- The Chromebook can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents and other liquids.
- The screens are particularly sensitive to damage from excessive pressure. Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Make sure there is nothing on the keyboard before closing the lid (pens, pencils or disks).
- Only clean the screen with a soft, dry, microfiber cloth or anti-static cloth.

OPERATING SYSTEM AND SECURITY

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the school.

Updates

- The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebooks.

Virus Protection

- Chromebooks use the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot.
- There is no need for additional virus protection.

CONTENT FILTER

Frederica Academy utilizes an internet content filter that is in compliance with the federally mandated Children’s Internet Protection Act (CIPA). Chromebooks will have internet activity protected and monitored while on campus. We use “Untangle” to filter our internet. If an educationally valuable site is blocked, students should contact their teachers or the Media Center staff to request that the site be unblocked. While at home, the Chromebooks will be filtered based on the protection provided by your home Internet system. Frederica Academy is not liable for external Wi-Fi safety.

NO EXPECTATION OF PRIVACY

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for school related or personal purposes, other than as specifically provided by law. Frederica Academy may, without prior notice or consent, log, supervise, access, view, monitor and record use of student Chromebooks at any time for any reason related to the operation of the school. By using a Chromebook, students agree to such access, monitoring and recording of their use.

Monitoring Software

- Teachers, school administrators and the technology department staff may use monitoring software that allows them to view the screens and activity on students' Chromebooks.
- The Chrome Dashboard will be used to manage and monitor the Chromebooks. Chromebooks will be identified and managed using the serial number on the Chromebook.

APPROPRIATE USES AND DIGITAL CITIZENSHIP

School-issued Chromebooks should be used for educational purposes and students are to adhere to the Frederica Academy Acceptable Use Policy. Listed below are some additional digital citizenship guidelines that will apply to student use of the Chromebooks.

While working in a digital and collaborative environment, students should always conduct themselves as good digital citizens by adhering to the following:

- 1. Respect Yourself.** I will show respect for myself through my actions. I will select online names that are appropriate. I will use caution with the information about my life, experiences or relationships I post. I will not be obscene. I will act with integrity.
- 2. Protect Yourself.** I will ensure that the information, images and materials I post online will not put me at risk. I will not publish my personal details, contact details or a schedule of my activities. I will report any attacks or inappropriate behavior directed at me while online. I will protect passwords, accounts and resources.
- 3. Respect Others.** I will show respect to others. I will not use electronic mediums to antagonize, bully, harass or stalk people. I will show respect for other people in my choice of websites. I will not visit sites that are degrading to others, pornographic, racist or inappropriate. I will not enter other people's private spaces or areas.
- 4. Protect Others.** I will protect others by reporting abuse and not forwarding inappropriate materials or communications. I will avoid unacceptable materials and conversations.
- 5. Respect Intellectual Property.** I will request permission to use copyrighted or otherwise protected materials. I will suitably cite all use of websites, books, media, etc. I will acknowledge all primary sources. I will validate information. I will use and abide by the fair use rules.
- 6. Protect Intellectual Property.** I will request to use the software and media others produce. I will purchase, license and register all software or use available free and open source alternatives rather than pirating software. I will purchase my music and media and refrain from distributing these in a manner that violates their licenses.

2022-2023 FIRST AND SECOND GRADE CHROMEBOOK POLICY AGREEMENT

I have read the **1st and 2nd Grade Frederica Academy Chromebook Policy** and agree to the rules and expectations explained in this policy.

Student Name: _____
