## From the Principal

**Hello Families and Caregivers at LES/OSC,**

This time of year can be crazy and challenging for kids and adults with shorter days and colder weather. That is why it is important to make sure to take time to remember these key ideas. One of our school's community values is kindness. This month, take some time to spread extra kindness. This can only help make our community stronger.

**JUST WANTED TO  
REMIND YOU THAT  
THE WORLD IS A  
BETTER PLACE WITH  
YOU IN IT.**

Sincerely,

Mike Pisani,  
Principal, LES/OSC

# Physical Education

Despite the cold weather outside, PE students have been heating up in the gym! We are finishing up a fun couple weeks of basketball. Students worked on their dribbling and ball handling, passing, and shooting. All classes have shown awesome teamwork and sportsmanship during our games and activities!

This is also a great time of year to remember to take time to be mindful. Here is a quick de-stressing activity you can do with kids or by yourself.

## WHAT HAS THE PTO BEEN UP TO?

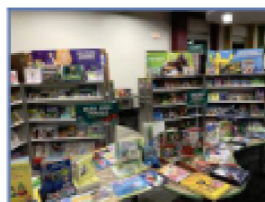

During the 2020-21 school year, the PTO gave all primary and elementary school students a free book prior to winter break and all middle and high school students a "Lodi Pride Bag" that included sunglasses, Culver's certificate, and other items.

In summer 2021, equipment was added to the Heritage Park playground at the Primary School thanks to generous donations and grants. Thank you to everyone who participated in the Save to Give Challenge sponsored by Lodi Utilities. We received over \$1400 thanks to your help! Additional equipment is planned for installation this upcoming summer.

The PTO was happy to provide support for the Primary School book fair in December. We set-up, took down, and staffed the fair.

## STRIDE WITH PRIDE

Thanks to organization from the Wellness Committee, the PTO is happy to announce a new fundraiser, Stride with Pride, planned for Spring 2022. To learn more about the fundraiser and to volunteer, we encourage you to join the PTO meeting on February 7. If you are unable to attend but want to hear more, please email the PTO at [lodipto@gmail.com](mailto:lodipto@gmail.com) or watch the PTO Facebook page for more information.

# Request to Test Internet Speeds

This is a request from CCEDC to all school districts in Columbia County to help get the word out to test internet speeds, click the link below for MadREP's internet speed test. Help us, help you! It is important for everyone living and working in Columbia County, that we collect as much data as possible, for potential broadband improvements. Please share with staff, students & their families, it would be greatly appreciated.

Be sure to participate in MadREP's [crowd-sourced broadband project](#). The tool will show you what your current internet speed is while collecting necessary data for the Madison Region to pursue better broadband infrastructure in the areas identified as underserved. Please complete the brief speed test both at home and at work ASAP.

From this web site we can collect data about your broadband speed and create a map for your community that will help your community in efforts to get grants and other support to improve broadband for your community.

We need strong participation across the County! Thank you for your help in improving our Region's internet speeds. <http://madisonregion.org/industry-and-innovation/broadband/>

Sincerely,

**Cheryl Fahrner**
