2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Paul Ecke Central Elementary School is located in the western section of the City of Encinitas and serves approximately 650 students. Teachers and staff are dedicated to ensuring the academic success of every student and providing a safe and productive learning experience. The school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

Learning is facilitated through meaning-centered instructional strategies which utilize critical thinking, cooperation, and communication. Students develop self-respect, acceptance and appreciation for others in our diverse community. Paul Ecke Central School is committed to instilling a rich foundation of life-long learning, where character, creativity and risk-taking are taught, encouraged and valued. Students will become productive citizens skilled to meet the challenge of an ever-changing world. We offer a dual language strand where we provide literacy and content instruction in two languages (Spanish/ English) and integrate native English speakers with native Spanish speakers with the goal of bilingual and bi-literate students.

Our mission is to prepare our children to be successful, contributing members of school, work and society. Working as a nurturing team of staff, parents and community members, we provide challenging bi-cultural and bilingual learning experiences. Our students are the focus of all site-based decisions. This strategy helps us educate children to become effective communicators, collaborative team members, constructive thinkers and problem solvers, self-directed learners, quality producers, and responsible members of society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Paul Ecke Central Elementary School provides a safe, clean environment for students, staff and volunteers. The school received site upgrades as part of the Capital Facilities and Technology Plan during the summer of 2015 that included solar tubes, solar panels, new windows, carpet and flooring, classroom furniture. During the Summer of 2016, in partnership with the City of Encinitas, Paul Ecke Central's Vulcan Avenue student drop off and pick up areas were remodeled to ensure student safety. On the playground and common areas, wooden benches and fencing were replaced with more durable synthetic ones. The entire school was repainted in 2018. The restrooms were also refurbished. In 2009-10 the Media Center was remodeled to include new furniture, carpeting, and a media information desk. During the 2010-11 school year, the kindergarten play structure and main playground structures were updated with new equipment. A running track was installed during the 2011-12 school year and a section of the track was upgraded in the Summer of 2016. The asphalt was resurfaced in October 2018. New play structure, electronic marquee, and a storage barn were also installed in December 2018. The coating on the asphalt was performed in 2019

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are many opportunities for parent involvement at Paul Ecke Central School, including the PTA, School Site Council, ELAC, Parent Art Program, classroom volunteer, garden volunteer, Family Nights, Fall Social, Pancake Fiesta, and field trip chaperones. Parents can find out about volunteer opportunities at <http://pauleckecentral.com/volunteering-at-pec/> or you can call the office at (760) 944-4323.

Due to COVID 19, some of the physical volunteering opportunities have been put on pause in order to protect the safety of the PEC Community

2020-21 Chronic Absenteeism by Student Group

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Maintaining a safe, clean, and orderly environment is a top priority and essential to teaching and learning. The Comprehensive School Safety Plan (CSSP) is developed by Paul Ecke Central Elementary in consultation with local law enforcement/emergency preparedness staff, School Site Council (SSC) and Administrative Services in order to comply with Senate Bill 187. The CSSP includes: Annual Schools Safety Data, School Safety Policies and Procedures, Emergency Preparedness Procedures, and Emergency Plans and Protocols. It was most recently updated and reviewed in October 2021 and accepted by the Board of Trustees in November 2021.

We conduct regularly scheduled safety drills including fire, shelter-in-place, lockdown and earthquake. We practice evacuation procedures for fire, procedures for disaster preparedness, and to be ready to respond to the possibility of strangers or dangers on campus. Our district maintenance and site custodial personnel routinely check all play equipment for safety and make recommendations for proactive maintenance. To ensure safety during instructional hours, the perimeter gates of the site are locked immediately after entry each morning and reopened only at dismissal. During school hours, all visitors are required to present an ID for processing via our Raptor Visitor System. Additionally, our site is alarmed during non-school hours. To monitor all school sites, each school is equipped with surveillance cameras. We have a strong partnership with the San Diego County Sheriff's Department North Coastal Station in Encinitas, the Carlsbad Police Department and our Carlsbad School Resource Officers. All staff takes pride in our school and work together to maintain a well-kept and safe facility.

Professional Development

In Encinitas teachers participate in professional development at least once per month. Four months are dedicated to district-wide training, while six months are dedicated to school specific training. Teachers also participate in choice and extended learning opportunities, weekly collaboration and planning, as well as individual professional development around personalized learning topics. In 2021-22 all staff completed nine hours of Equity Professional Learning, focused on Identity, Joy, and Representation. Our teachers have also had opportunities to attend district workshops on digital citizenship, digital and print curriculum and programs, CGI, and more.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
