

## AISK Scholarship Program

Scholarships offered to Jamaican students to study at AISK are with a view for the recipient to take advantage of opportunities to study abroad at the tertiary level. This is accomplished through a strategy that includes the building of an impressive profile that when presented to university admissions departments it stands out amongst the cohort.

### A standout profile includes:

A tangible result that showcases the student's talents and interests that when realised help to build the student's practical experience and skill.

A reflection of AISK's core values with a tangible demonstration of Excellence, Integrity, Respect and Empowerment.

### A stellar academic resume:

- Transcripts that reflect steady academic performance
  - SAT subject test
  - SAT/ACT
