

CIRCLES OF CONTACT

Confirmed Positive Case: A person who has tested positive by RT-PCR or by a PanBio kit

Level 1 Contact:

Anyone in your household, including live-in staff or staff who are employed to take care of your children

Level 2 Contact:

People who are not from your household but you have either been

- Less than 6 ft for more than 15 mins (total over a 24 hours period) with NO mask OR
- Less than 3ft for more than 15 mins (total over a 24 hours period) when both people were properly wearing masks
AND YOU ARE NOT VACCINATED

Level 3: Contact:

Same as level 2 BUT YOU ARE VACCINATED

If you have been diagnosed with COVID 19 in the last 90 days, you are not considered a contact.
