Jackson Academy of Music and Math (JAMM) School Accountability Report Card Reported Using Data from the 2020—2021 School Year California Department of Education

Address:	2700 Fountain Oaks Dr. Morgan Hill, CA , 95037-3907	Principal:	Patrick Buchser, Principal
Phone:	(408) 201-6400	Grade Span:	K-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/ic/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2021-2022)

School Vision:

We believe all students deserve an educational experience that allows them to truly be alive with their learning. We believe students are to be actively engaged in learning, utilize their thinking to solve problems, and to respect each other as individuals.

Guiding Principles:

- · Learning is a collaboration between teachers, students, and parents
- All students deserve a positive, respectful learning environment.
- Teachers utilize multiple forms of student data to guide standards based their and learning.
- Student engagement is evident by and directly connected to:
- o Shared Goals
- o Purposeful teaching
- o High expectations
- o Valuing the learning process
- o Teacher, student, and parent accountability
- o Continual staff commitment to research and apply best teaching practices

We want to inspire students to be passionately curious about music from a wide variety of genres and cultures and to learn to use music as an outlet for their emotions and creativity. Math and music are a focus of our instructional day and we are committed in providing students a well-rounded experience in musical literacy and musical appreciation through singing, listening, movement, dance, performance, composition, research, theory, instruments, analysis, history, and musical literacy.

We want students to have a true mathematical understanding of number sense and the ability to purposefully make connections to math and real life application. We want to provide students the influence to think mathematically with real world relevancy and provide many strategies for students to make meaning of correct answers rather than just doing math.

Our junior high students are equipped with a chrome book that they use at school and take home. This helps to provide more 21st century learning skills beyond the school day as well as integrate technology into students' lives. Moreover, parent education classes in technology help to focus parent support with purposeful technology use and provide students with meaningful and applicable expectations for technology use.

We are a caring and collaborative learning community that believes all students can learn. Through differentiated instruction, students will attain high levels of achievement as determined by student work samples, local and state assessments. We seek to empower students with thinking skills and knowledge that will lead to their success in school and prepare them for college and career in the 21st century.

We are a school that is enriched by linguistic and cultural diversity. We celebrate this diversity as it enhances our instructional program. Staff continuously seeks to grow in the implementation of effective instructional strategies to better address the needs of each and every student. The Jackson staff adheres to state board approved, standards-based curriculum and research-based strategies to provide all students with a high quality educational program across all content areas. These best practices include a variety of instructional techniques designed to meet the needs of our diverse population, with a focus on Direct Explicit Instructional Explicit Instructional techniques designed.

Instruction, ELD strategies, Music Instruction, and GLAD strategies.

It is important that we develop strong partnerships between home and school to assist each student in achieving to his or her highest ability. Parents are partners in our school and have a voice in the decision-making process through the School Site Council, English Learner Advisory Council (ELAC) and through the Home and School Club. Throughout the year parents collaborate with school staff to review, monitor and revise the school plan.

During the school closure of the 2019-20 school year due to the Covid-19 pandemic, our school created a distance learning plan to support students learning at home. This plan helped to support students with online learning experiences. All classes created Google classrooms, held virtual classes through Zoom, and conducted continuous communication with students and parents on a daily and weekly basis.

With staff and parents working together, we continue to strive to accomplish our mission of having have each student celebrated as a unique, successful, and active member of the school.

School Facility Conditions and Planned Improvements

Generally the entire campus (inside and outside) is well maintained. There have been a number of new classrooms added to the campus and large modernizations to the existing buildings, so a lot of the campus is faily "new". Some finishes are near the end of their life (flooring, casework, ceiling tiles) but are being maintained in a safe and clean way.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative
 Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and
 mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are
 aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive
 disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

			1			
Subject	School 2019-2020	School 2020–2021	District 2019-2020	District 2020–2021	State 2019-2020	State 2020–2021
Subject	2013-2020	2020-2027	2013-2020	LULU-LULI	2013-2020	
English Language Arts / Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019—2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019—2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Jackson Academy of Math and Music

Note: NWEA MAP growth assessments in Mathematics and English Language Arts/Reading were administered in the spring of 2020-21 to students in grades 3-8, 11. Percent at or above grade level was determined by the number of students scoring above one standard deviation below the NWEA Nationally Normed grade level averages determined by the pre-pandemic NWEA National norm study. Student groups with less than 10 members do not report Percent At or Above grade level in accordance with Federal Data Privacy requirements.

CAASPP Test Results in Science for All Students Grades Five, Eight and High School

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

Parents and other family members are a vital component of our school program. They are encouraged to participate in our Home and School Club (HSC), School Site Council (SSC), and English Learners Advisory Committee (ELAC). Numerous opportunities to participate are available. Room parents organize parent volunteers to help with special projects in the classroom, such as Project Cornerstone classroom lessons and SEL Middle School lessons. In addition, parents volunteer to chaperone study trips off campus. They give many hours of service during the year working on fundraising activities and help with various other school-sponsored events and projects. All parents were contacted before the beginning of the 2020-2021 school year by teachers to get to know each other and build relationships in a virtual learning setting. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in November. Parents are always welcome on the Jackson campus. The contact person for parent involvement is our HSC president.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- · High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Super an and instanting parameter research			法 法月 建筑线		test of an introduct test		法 法 一相

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

** 悉	School	School	District	District	State	State	
Rate	2018-2019	2020-2021	2018-2019	2020-2021	2018-2019	2020-2021	
Suspensions	2.42%	0.15%	4.97%	0.07%	3.47%	0.20%	
Expulsions	0.00%	0.00%	0.16%	0.00%	0.08%	0.0 0%	

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–2020	District 2019–2020	State 2019–2020
Suspensions	1.97%	3.64%	2.45%
 A.C. (a) Canada and Article (and all 1) 	et and the manufacture of the second	211 24 以	5. DI
[©] Expulsions	0.00%	0.11%	0.05%

Note: The 2019—2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019—2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019—2020 school year compared to prior years.

School Safety Plan (School Year 2021-2022)

The Student Code of Conduct is given to students and parents at the start of the school year. Parents are asked to review the rules with their children and the signed acknowledgments of the review are returned to classroom teachers. Assemblies to reiterate the rules are scheduled in the fall and midyear to review the expectation that Jackson School is a safe environment for all. Teachers have classroom rules, consequences, and positive rewards for behavior. All visitors must check in and out at the office upon entering the campus. Providing a safe and orderly environment for student arrivals and dismissal is a primary focus for school staff and students. The playground is supervised at recess, lunch periods, and before school only. The custodial staff and district groundskeeper maintain a clean and cared-for campus. School safety plans are reviewed annually and updated as needed. All persons visiting campus must to go through the office to ensure they are identified with a visitor badge.

School-level emergency procedures are reviewed annually in early fall (September 2020). We conduct quarterly earthquake and monthly fire drills on campus. The Home and School Club, in conjunction with administration and school staff, maintains emergency supplies for each classroom. In addition, the Morgan Hill Police Department trains our students and staff on Run, Hide, and Defend procedures.

Types of Services Funded (Fiscal Year 2020-2021)

In addition to the state and local revenues used for general education, Jackson school received LCFF funds. These funds benefit all students and include amounts designated for English Learners. Often these monies are used for personnel who provide individual or small-group instruction for eligible students. Our school also received monies for afterschool programs to extend our day. The remaining funds were used to provide staff development activities and purchase supplemental materials for the classroom or other items needed to support specific programs. The designed use of and authority to expend the categorical funds is under the purview of our School Site Council comprised of members from all stakeholders in the school community.

Professional Development

The Focus is on High Quality Instruction -The 3 factors of High Achieving Schools:

- 1. Direct Explicit Instruction- Specific lesson plan design to model one's inner voice when learning and making learning transparent to students.
- 2. Multisource Curriculum- Giving students what they can and want to read- different- equity

3. Response Principle- Multiple opportunities for students to respond and be responded to their learning.

Through the process of conducting a Professional Learning Community tradition in our staff, the teachers conduct common assessments and analyze data. Professional dialogue and collaboration weekly support teachers to examine teaching practices and adjust lessons accordingly to meet the needs of the class and individual students. This PLC process occurs weekly. Moreover, staff continues with the districts support of Constructing Meaning and Common Core standards based instruction to provide a consistent approach for all students as well as preparing students for the 21st century college and career.

Jackson staff participated in a variety of site-based and district planned opportunities to enhance their learning in data analysis, writing, and English language development. Our district organized staff development to support the implementation of GLAD strategies school-wide. All teachers, with the exception of newly hired staff, participated in GLAD training and implemented the strategies in their classroom through GLAD units of study aligned to Science and Social Science themes. Guiding students with strong academic conversations is supported by our training in Constructing Meaning and ELD frameworks. These are the areas of focus for our instructional rounds onsite professional development which includes a specific classroom visit protocols.

STEAM (science, technology, engineering, arts, and math) directly support the integration of common core standards in all disciplines, including Wednesday collaboration time and approximately 60 days of staff development days have been offered. Professional development topics include, Math, ELD, Language Arts, History, VAPA, new teacher development, data, special ed, intervention supports, Be Seen and Heard, Trauma Informed Instruction, Keenan Mandated Training, COVID Training, Leveled Literacy Intervention Training, Dyslexia Training, Virtual Learning Training, Social emotional curriculum Sanford Harmony Training, and next generation science standards connected with a STEAM focus. These common standards, social emotional supports will directly guide the professional development for the next few years as the country re- aligns teachers' instruction to the college and career readiness standards for the 21st century.
