

Dear Parents and Carers 31.01.22

Driving My Tractor

This book helps us to think about numbers as more and more animals jump on the trailer. You can share this book at home too with a singalong version on You Tube.

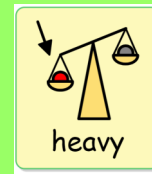

Chinese New Year is on Tuesday 1st February so this week we will be exploring how it is celebrated. We will discover noodles and chopsticks, talk about the differences between England and China and make our own Dragon Dance.

Don't forget Number Day on Friday. Please come dressed in your favourite pattern or outfit linked outfit to a number

Words of the Week

Concept of the Week

At Home

Read a favourite story and think about who is in the story? Where is the story set? What happens at the beginning, middle and end of the story? What do you like about the story?

Next Open Session
Thursday 3rd February 9am
