Y12-Y13 Mazars Accounting and Finance Work Experience, 31 Jan 5pm-6pm

mazars

Mazars, the internationally renowned Accounting and Professional Services firm, are offering some great work experience opportunities. On Monday 31st January, Mazars will be hosting an introductory work experience session. They will take you through all their upcoming UK-wide work experience opportunities and how to best ensure your application can stand out and impress enough to secure your place. The work experience for year 13's will take place over Easter and for Year 12's in the summer.

If you'd like to hear more about Mazars' Easter & Summer Work Experience, application entry tips and the relevant dates and info click on the following link to sign up: <https://www.surveymonkey.co.uk/r/Mazars-Work-Experience>

Y9 - Y13 Speakers' Club – Opportunities for Scientists in the Pharmaceutical Industry, Tues 1 Feb, 1pm

We are looking forward to welcoming back Alexandra Parker, from AstraZeneca, to talk about "Opportunities for scientists in the Pharmaceutical Industry". Alex will look at what it takes to develop a medicine, some example careers and the kind of A-Level and Higher Education choices you might make to get there, apprenticeships and what a typical week as a scientist might look like. This will be a live talk using Teams and there will be the opportunity to ask any questions that you may have. If you wish to attend, please email caroline.foster@kingsmac.co.uk

Y10 - Y13 Insight Into M & S, Tues 1 Feb, 5pm – 6pm

M&S are a unique retailer delivering quality food, clothing, home products and financial services. They employ over 80,000 people who serve over 32 million customers. The company has been investing heavily in digital marketing and now M&S have a presence in online marketplaces in more than 100 countries.

M&S

EST. 1884

They have some fantastic opportunities if you are considering a more hands-on approach once you leave school by giving you the opportunity to join the M&S Business Retail Management programme. The whole programme is designed to train you to one day run and manage your very own M&S store responsible for generating millions of pounds in revenue each year.

During the event you will find out more about this programme as well as having a mini business workshop focused on the Environment & Sustainability which is at the core of everything M&S do.

If you'd like to hear more about M&S and their opportunities then click on the link below to register for this online event <https://www.surveymonkey.co.uk/r/MandS-Business-Event>

Y10 - Y13 Goldman Sachs Insight Evening, Weds 2 Feb, 5pm – 6pm

Are you interested in a career in Investment Banking, Finance or Technology? This is a great opportunity to hear from one of the world's most prestigious investment companies.

Goldman Sachs is a leading global investment banking, securities and investment management firm that provides a wide range of financial services to a substantial and diversified client base that includes corporations, financial institutions, governments and individuals.

Founded in 1869, the firm is headquartered in New York and maintains offices in all major financial centres around the world.

Within the company there are several different divisions from Asset Management and Investment Banking to Global Markets and Investment Research to name but a few. Come and hear about the career opportunities on offer in these areas and more whilst getting an insight into one of the world's most recognised and established investment banking institutions. They will also be running some fantastic workshops along with breakout room sessions where you can speak with the Goldman Sachs teams about different aspects of what they do. This is your time to network and get a head start in your future career!
