2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Description: Lincoln Elementary School opened in 1912 and is located in the city of Reedley. Lincoln Elementary School teachers and staff are dedicated to ensuring each student's academic, social and emotional success. The entire Lincoln staff strives to support the parents and students of our school community by providing a safe and positive learning environment.

Mission Statement:

Reflecting the belief that every child can and will learn at high levels, Lincoln Elementary is committed to developing a community of lifelong learners where students have opportunities to reach their fullest potential as scholars, citizens, and leaders.

Vision Statement:

All students will learn at high levels to reach their greatest potential.

Values Statement (Collective Commitments)

We will promote and protect our shared mission, vision, and the following collective commitments:

1. Be present, work collaboratively, and actively participate in the educational process for our learning and that of our students.
2. Teach the essential learning of our agreed-upon curriculum.
3. Use actionable data as evidence of student learning to inform and improve practice and to better meet the needs of individual students.
4. Use a variety of instructional strategies that promote relevant lifelong learning.
5. Contribute to an effective system of intervention and extension while providing enrichment opportunities to all.
6. Engage in meaningful, job-embedded staff development to enhance our professional capacity.
7. Contribute to a safe, nurturing learning environment with common behavioral expectations, model and teach that behavior, and consistently reinforce our expectations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

A district textbook adoption committee is established for the process of textbook adoption. Each school site or grade level is represented on each textbook adoption committee. At Lincoln Elementary School, there are sufficient textbooks and instructional materials for each of the core content areas. Each pupil, including English Learners, have access to district adopted texts, workbooks, or other supplemental instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements

KCUSD prioritizes school campuses that are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

Lincoln Elementary School has 18 classrooms, a multi-purpose room, a library and an administration building. The main campus was built in 1957. Additional relocatable classrooms were constructed in 1995 and a library was constructed in 2005. In 2019, additional lighting was added to the parking lot and the student drop off area improved. In 2021, old asphalt in front of the library building was removed and replaced with new concrete.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed. A work order process is used to ensure efficient service, and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent involvement and communication are essential to our school's success. Lincoln Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities. There are numerous and varied opportunities for parent involvement, all of which will be adjusted during the COVID-19 pandemic.

Parents may serve on advisory committees and leadership teams, including Parent Teacher Club (PTC), English Learner Advisory Council (ELAC), District English Learner Advisory Committee (DELAC), School Site Council (SSC), and District Advisory Committee (DAC). Committee meetings are held on-campus in the MPR or library. Translation and child care are available.

Parent involvement activities include: Annual Title I Meeting, Back to School Night, Oral Interpretation Festival Parent Academy, Parent Education Nights, Winter Holiday Program, Family Fun Night, Pastries With Parents, and Trimester Awards Assemblies. During the COVID-19 pandemic, large events such as the Annual Title I Meeting, Family Fun Night, Pastries With Parents, and Trimester Awards Assemblies are held outside. Back to School Night, Parent Education Nights, and the Winter Holiday Program were held indoors with the request that all attendees wear face coverings. Due to the pandemic, this year's Oral Interpretation Festival for Lincoln Elementary and Grant Middle Students was held outdoors at Lincoln.

School-to-home communication includes Parent Square posts and messages in voice and text format, the school website, the Student and Parent Handbook, the marquee, student report cards, and the option for families to schedule a conference with their child's teacher as needed. Communication is provided in both English and Spanish. Translation is available.

Parents who would like more information on how to become involved may contact Principal Reggie Wagner at (559) 305-7240, or ask for assistance in the school office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	1.42	0.00	3.08	0.53	3.47	0.20
Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Student and staff safety is a priority of Lincoln Elementary School. Student supervision is provided from 7:30am to 3:00pm, and all gates are locked during school hours with the exception of the front and rear office gates. All visitors must sign in at the front office, and must display valid identification or a bright green visitor's badge while on campus.

The Comprehensive School Safety Plan (CSSP) is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of students who have engaged in, or are reasonably suspected to have engaged in acts constituting grounds for suspension or expulsion, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated and discussed with staff in the Fall of 2021. An updated copy is available to the public at the school office.

The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted monthly and the school staff is appropriately trained. A detailed binder is located in the Lincoln office that consists of all required safety components.

Professional Development

Professional development at Lincoln Elementary School is designed to meet the individual needs of teachers as well as broader school and district areas of focus. Professional development includes training sessions, coaching, team collaboration, and peer observation and are consistent with our school vision and goals. The principal, teachers, instructional aides, instructional coaches, and other support personnel may take part in these activities. Lincoln Elementary School emphasizes collaborative team building, assessment and data collection, and effective teaching strategies in its Professional Learning Communities (PLC), with emphasis on instructing English Language Learners. Staff, grade level, and Leadership Team meetings provide regular opportunities for professional collaboration, as do district data analysis and interpretation committee meetings.

Staff receives district-provided Common Core State Standards (CCSS) training in ELA and Math, Professional Learning Communities, Next Generation Science Standards, Number Talks, Thinking Maps, and Positive Behavior Supports and Interventions (PBIS). During the 2017-2018, 2018-2019, 2019-2020, and 2020-2021 school years, certificated staff in grades Transitional Kindergarten through 2nd grades continue to receive training in Foundational Skills, Listening and Learning, Literacy Stations, English Language Development, Structured Student Talk, and Support Structures for English Learners professional development. Certificated staff in grades 3rd through 5th received professional development on the Academic Vocabulary Toolkit, Amplify Science, Thinking Maps, Math, Number Talks, Smarter Balanced Interim Assessment Block Hand-Scoring, technology use and integrating technology/media into the classroom instruction. All grades have received professional development training in Thinking Maps: Path to Proficiency and Write From the Beginning and Beyond: Setting the Stage. All staff members received All4Youth Trauma training. Our sitewide Instructional Action Plan for 2021-2022 focuses on high-leverage teaching practices for writing across the content areas. Data is reported to school administration regularly and feedback is provided to each grade level. Teachers may also attend conferences and workshops as well as schedule times for peer observations. Buyback and early release days provide additional time for quality professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
