T.L. Reed School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Description:
On August 16, 2004, Thomas Law Reed School opened its doors for learning as the first new school built in Reedley in over 41 years. TL Reed is a K-8 school located in the predominantly residential, north central section of town. The 630 students live within a three quarter mile radius of the Thomas Law Reed campus. Students walk, are transported by a parent, or ride a bicycle to school. The Thomas Law Reed staff consists of 2 administrators, 24 self-contained classroom teachers, 8 certificated support staff, and 22 classified staff members. At Thomas Law Reed School, 27% of the total student K-8 population are English Learners (includes RFEP students) and 74% of the students qualify for Free & Reduced Lunch.

School Mission Statement:
Thomas Law Reed School is a community of life long learners dedicated to reaching our fullest potential as learners, citizens, and leaders.

Vision:
- We believe that all students can learn.
- We believe that it is our responsibility to do whatever it takes for all students to learn.
- We believe that working as a team of staff, parents, and students that every student can achieve at high levels.

Goal: All students will grow one performance band and advanced students will grow in scaled score annually.
All English Learners will grow one ELPAC band annually.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

T.L. Reed uses the state and district approved textbooks for all curricula at all grade levels.   There are ample textbooks for each student to have this/her own copy. New curriculum purchased in the past four years include the current math adoption (2008), new science (2007), new history (2006), and new English Language Development curriculum (2012 - K-8). All core textbooks are State Board of Education Adopted and locally board approved and adopted.

School Facility Conditions and Planned Improvements

The district expends great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

T. L. Reed School has 27 classrooms, a gymnasium/cafeteria, a library and an administration building. The main campus was built in 2004.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

In the fall of 2019, Solar panels were installed in west parking and over a portion of the playground area.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent involvement and communication are essential to our school success. T.L. Reed Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities.

Under regular circumstances, TL Reed provides numerous and varied opportunities for parent involvement. Parents attend school functions and parent visitation days, participate in parent-teacher conferences, volunteer in classrooms, accompany their child on field trips, and assist with bi-annual book fairs and fundraisers. Parents may also serve on advisory committees and leadership teams, including the Parent Teacher Club (PTC), English Learners Advisory Council (ELAC), and School Site Council (SSC). However, under the conditions of the COVID-19 Pandemic, many of these opportunities were not possible. In the Fall of 2021 TL Reed offered a virtual parent education program through Parent Institute for Quality Education, PIQE.

Home and school communication is enhanced through weekly notices, monthly newsletters, parent/teacher conferences, the student/parent handbook, the school website, student report cards, the marquee, Parentsquare, and other regular communication activities. Parent communication is routinely translated into Spanish.

Parents who would like more information on how to become involved may contact Principal Rick McCollum at (559) 305-7300.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	1.03	0.00	3.08	0.53	3.47	0.20
Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated on 8/4/21 and discussed with staff on 8/10/21. An updated copy is available to the public at the school office.

The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted monthly and the school staff is appropriately trained.

Professional Development

Professional development at T.L. Reed Elementary School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, coaching, peer observation, or constructive self-reflection and are consistent with our school vision and goals. Principal, teachers, instructional aides, and other support personnel may take part in these activities.

T.L. Reed Elementary School, as well as the entire KCUSD instructional staff, has focused on implementing Common Core Standards. Training for the 2015-16 school year focused on Foundational Skills in the primary grades, Thinking Maps, Next Generation Science and working with English Learner students and technology in grades 3-8. For the 2016-17 school year professional learning focused on Write From the Beginning and Beyond. For the 2021-22 school year professional learning is focused on Write From the Beginning and Beyond. Professional Development has also taken place on using i-Ready assessment data to provide Intervention and enrichment support for all students. TL Reed continues with Professional Learning with a focus on enhancing the use of Professional Learning Communities. Representatives from each grade level attended Achievement Teams PD in the Fall of 2021. In 2019 TL Reed was named a Model PLC School by Learning Tree.

T. L. Reed also continues to engage in Professional Learning Communities (PLCs), assessment and data collection, and effective teaching strategies, with continuous monitoring of our significant subgroups: Students With Disabilities, English Language Learners, Hispanic, and Socio-economically Disadvantaged. To supplement student learning, the T.L. Reed staff received training on ways to use "Thinking Maps" as an instructional strategy. Multiple staff members and administrators have attended Kagan Trainings to increase student engagement in the classroom. Staff, grade level, and vertical team meetings also provide regular opportunities for professional collaboration, as do district data analysis and interpretation committee meetings. Teachers may also attend conferences and workshops. Early release Wednesdays provide time for quality professional development via Professional Learning Communities.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
