ACADEMIC EXCELLENCE

CLASS OF 2021 SAT® RESULT BY SUBJECT

ALL SCHOOLS ACCREDITED BY NEASC: [New England Association of Schools and Colleges](http://www.neasc.org)

Catholic high school students consistently outperform their peers nationally and statewide on ALL sections of the SAT®.

Catholic elementary school students display steady growth on the IOWA Assessments® regularly scoring above grade level and exceeding average national scores.

## CURRICULUM

AOH standards-based curriculum is not driven by political ideologies or cultural trends. Our curriculum is rooted in the absolute Truths of our faith and built upon a foundation of essential basic skills all students need to learn and succeed. Recognized as a curriculum of excellence by the New England Association of Schools and Colleges, this rigorous liberal arts curriculum ensures that academic disciplines include the study of humanities and the sciences, thereby educating the whole child, and creating critical thinkers who will benefit our world.

## CATHOLIC IDENTITY

### — PUTTING FAITH INTO ACTION —

On average, over 100,000 hours of community service performed yearly.

Diverse backgrounds are united in a spirit of community, prayer and service.

Gospel values are integrated throughout the curriculum.

Students are taught to respect, love and care for others as they prepare for leadership roles in their communities and the world.

Prayer services, Masses, retreats and sacramental training are woven throughout the educational experience.

Social justice is an essential component of the Catholic faith. Catholic social teachings are integrated throughout the curriculum.

## FINANCE

**100%**  
OF SCHOOLS

### PROVIDE TUITION ASSISTANCE

Amount of tuition assistance distributed by high schools:

Tax savings to towns in Archdiocese of Hartford with Catholic schools:

Archdiocesan aid to schools in Archdiocese of Hartford:

**\$16,032,718**

**\$184,815,225**

**\$1,499,854**

## TECHNOLOGY

Reading, writing, arithmetic, organizational and study skills are the foundation upon which innovative programs abound.

Technology supports and enhances our curriculum.
