## What is it like to work in Elmbrook?

"I love the flexibility my schedule allows me. I get to be in the lunchroom with my children."

"I've been looking to return to the workforce and get involved with our community, and this job has allowed me to find meaningful work while still having a flexible schedule."

"It's wonderful that I have the same days off as my children. We save on child-care and we are able to be home when our children are home!"

"I honestly have not ever worked in a better environment - joining this team was the best decision I have made for myself, family, career, and life!"

## How does Elmbrook stand out?

"Elmbrook has open communication pathways from senior leaders to all staff. They solicit feedback from all stakeholders and utilize this feedback to make decisions on behalf of students and staff."

"Elmbrook has established a vision and committed resources to ensure it is a model for all districts. The support from families, teachers, administrators and board members is pivotal in making this the best school district in the country."

## Why did I choose Elmbrook?

"If you like a challenge, if you believe in growth, and if you like being part of a positive, collaborative community, this will be a good fit for you."

"I LOVE it. It's a great place to work! The kids are amazing and there are so many opportunities to get involved. I don't see myself going anywhere else!"

## Fast Facts

- Elmbrook offers 26 different Advanced Placement courses and is consistently ranked in the top ten across the state for ACT performance and participation data.
- Both high schools are recognized for their depth of co-curricular offerings, outstanding accomplishments at the team and individual levels, and commitment to community service through active clubs and organizations.
