

Skyward: Online Student Course Requests

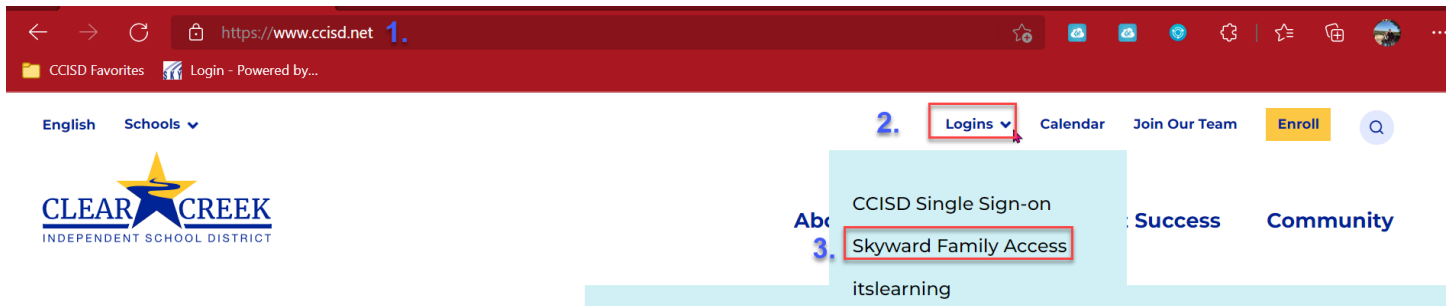

Students will choose their course requests and alternates for the 2022-2023 school year from home. These requests are the courses the student wishes to take during the 2022-2023 school year.

Pre-requisites have been set up for 2022-2023 school year. This will prevent the student from choosing a course for which they have not yet met the requirements.

Campuses have the option to allow students to select alternates and the total number that can be selected. The alternates are considered if selected courses are not available during the scheduling process.

- **Students Log-in into Skyward**

Students will log in from the CCISD home page. Go to www.ccisd.net (1), click “Login” (2) and then click “Skyward Family Access” (3).

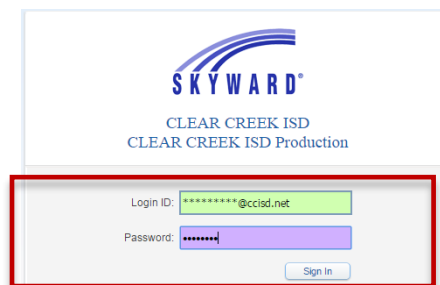

This will bring the students to the CCISD Skyward Login screen.

Students will login with their CCISD Student ID and Password.

Login ID: _____@ccisd.net (Student ID) Password: 00_____ (Cafeteria Pin)

The student credentials MUST be used to log in. The Course Requests process is not active under the Parent’s Login. Once the Login ID and Password has been entered, click the “Sign In” button to log into site.

- **Student Entering Alternate Request**

Click the “Request Alternates” tab (1). You will add courses to “Selected Alternate Courses” the same way you added the requests. To search for a course, enter the course number on the search line, then click the “Search” button (2). Highlight the course (3) and click the “Add Course” button (4).

The alternate course will be displayed under the “Selected Alternate Courses”.

Click the “Clear” button (1) to reset and repeat search process for adding more alternate courses. Notice the “R” meaning requested and the “1” meaning alternate course order (2). The arrows are used to move the Alternates to a different order for priority. This does NOT mean the student will automatically get the 1st alternate listed during the scheduling process.

Students will see the “Total Requests/Scheduled” selected, “Total Alternates” selected and “Total Credits” of Requests displayed above the Selected Alternate Courses (3).

Option to print the requests is available by clicking the print icon (4).
