

A Harmony 3 “Family Access Account” allows parents/guardians to monitor account balances and meal activity at all times for each of their children. Café Account in Harmony 3 “Family Access” shows the child(ren)’s current café balance as well as his/her activity (meals and payments) for the current month. To review activity a month at a time, use the previous and next links. The “Notification Profile” can be edited at any time in each child(ren)’s Harmony 3 “Family Access” profile! Parents/guardians may add a “Notification Profile” for each of their child(ren) and create a “Push Notification” of their choice (email and/or text) to notify them of each child(ren)’s lunch account balance(s). They may also choose to be notified only if the meal account balance is at or below a certain amount. The dollar limit may be set to any amount (zero or higher) that the parent/guardian chooses [Note: Setting up weekly reminders is not recommended, as the message may not be received in time before the school meal account acquires a negative balance.].

Tip: Use your child’s name as the account nickname [otherwise you won’t know which student has generated the notification being received.] To review the features of the “Notification Profile” please see the following.

The screenshot shows the Harmony 3 user interface. At the top, there is a red header with a "Menu" icon. Below the header, the word "Harmony" is written in a large, blue, cursive font. To the right of "Harmony" is a red "3" with a circular arrow around it. Below the header, there are two user profile boxes: "Samantha Grade:11" and "Sandi Grade:11". To the right of these boxes are links for "[manage account]" and "[logout]". Below the user profiles, there is a list of menu items: "grades", "report card", "attendance", "discipline", "homework", and "schedule". Each item has a "[show]" or "[hide]" link next to it. Below the menu items, there are two tables. The first table has columns: "Date", "Ab/Tardy", "Period", "Type", "Reason", and "Count". The second table has columns: "Date", "Reason", "Outcome", "Reported By", and "Handled By".

The screenshot shows the "Café Account" page. At the top, there is a "cafe account" header with a "[hide]" link. Below the header, there is a "Cafeteria Menu" section with "Prev" and "Next" links. The menu items are: "Monday - 03/07", "Tuesday - 03/08", "Wednesday - 03/09", "Thursday - 03/10", and "Friday - 03/11". Below the menu items, there is a "Balance Avail: \$48.15" section. Below the balance section, there is a table with columns: "Date", "Description", and "Amount". Below the table, there is an "on-line payment" section with a "[hide]" link. Below the "on-line payment" section, there is a "make a payment" link with the text "(opens in a new window)". Below the "make a payment" link, there is a "my notification profile" section with a "[hide]" link. A green arrow points to the "cafe account" header, and a yellow arrow points to the "my notification profile" header.

You can also use the “Menu” function to select either “Café Account” or Notification Profile”

Review the following to set / edit your “Profile Settings”

Edit Profile Settings

account nickname

attendance options

- notify me of **unexcused** absences
- notify me of **excused** absences
- notify me of tardies
