### **2020 PTO Fundraising**

We have heard your requests that some families do not want to sell items and we respect that opinion. This year we are offering 3 options to help meet our goals.

#### **Option #1: Donation**

If you would rather just donate money, versus selling the Paragon items, we ask that your donation be turned in *no later* than September 3<sup>rd</sup>, 2020.

On the outside of an envelope, please write: PTO DONATION along with your child's name.

Donation goals are \$80 / student. Be sure to check with your employer to see if they would match your donation.

#### **Option #2: Paragon Fundraiser**

By choosing this option you will be selling the Paragon items in the magazines your child will be bringing home. (Magazine links can be texted to friends and family and Orders can be placed online [www.paragon-promotions.com](http://www.paragon-promotions.com) )

We ask that your order sheets be turned in *no later* than September 3<sup>rd</sup>, 2020.

Order forms must have your child's address and phone number on it. Money can be sent in with the completed forms or you can turn it in on collection day.

Fundraising goals for Paragon items are at selling \$200 worth of items per student.

#### **Option #3: combination of both donation and Paragon**

This option is for anyone who has family who wants to donate AND purchase out of magazines.

Please be sure all important information is on the envelopes and forms as noted in above paragraphs.

If you have questions please call the office. 812-817-0900

*Thank you in advance for your fundraising efforts and supporting Pine Ridge Elementary school.*
