

LINCOLN HIGH SCHOOL PROFILE

SCHOOL YEAR 2021/2022

MISSION

We inspire and challenge all of our learners to be kind and ethical members of a global community. We empower them to develop into self-aware, confident, innovative and collaborative change-agents committed to honoring diversity and enhancing their world.

DEFINITION OF LEARNING

Learning is the intentional process of making sense of the world through exploration, expression, and reflection. The journey of life-long learning is transformative, inspires action, and opens new pathways.

DIPLOMAS

THE LINCOLN HIGH SCHOOL DIPLOMA

The Lincoln High School Diploma is accredited by the New England Association of Schools and Colleges (NEASC) to offer a U.S. High School Diploma. Students must earn 25 credits to graduate, including core academic subjects and electives. The primary language of learning is English, and courses in Spanish are offered at all levels.

THE INTERNATIONAL BACCALAUREATE DIPLOMA

All Lincoln students in Grades 11 and 12 are encouraged to pursue the full IB Diploma. This multidisciplinary programme requires the study of the humanities, at least two languages, science, mathematics and the arts. It also entails an extended essay, service and action element, and study of the theory of knowledge.

Upon successful completion of the programme and the IB exams, students receive the IB Diploma, recognized around the globe as a rigorous university preparatory qualification.

THE ARGENTINE DIPLOMA

The Bilingual Baccalaureate (Bachillerato Bilingüe) is the Argentine Ministry recognized secondary school credential (Secundaria) completed by all Lincoln students (grades 10-12). All students must be enrolled in this program which leads to an Argentine diploma.

COVID-19

Due to the pandemic, schools in Argentina were closed and Lincoln moved to online learning from March, 2020 until February, 2021. At that time, Lincoln returned to campus for ten weeks before closing again in April 2021 until June 12, 2021. IBDP students in the May 2021 session took the non-exam route. The school started on campus in August, 2021 for the 2021-22 school year.
