

Elementary Space Utilization

January 31, 2022

General Considerations

- From year to year, principals adjust classroom and office space based on enrollment and staffing
- Priority is given to student needs and curriculum implementation
- Principals creatively use all spaces when necessary
 - Focus is on creating proper learning environments and staff work spaces
 - Creative use of spaces impacts building storage needs

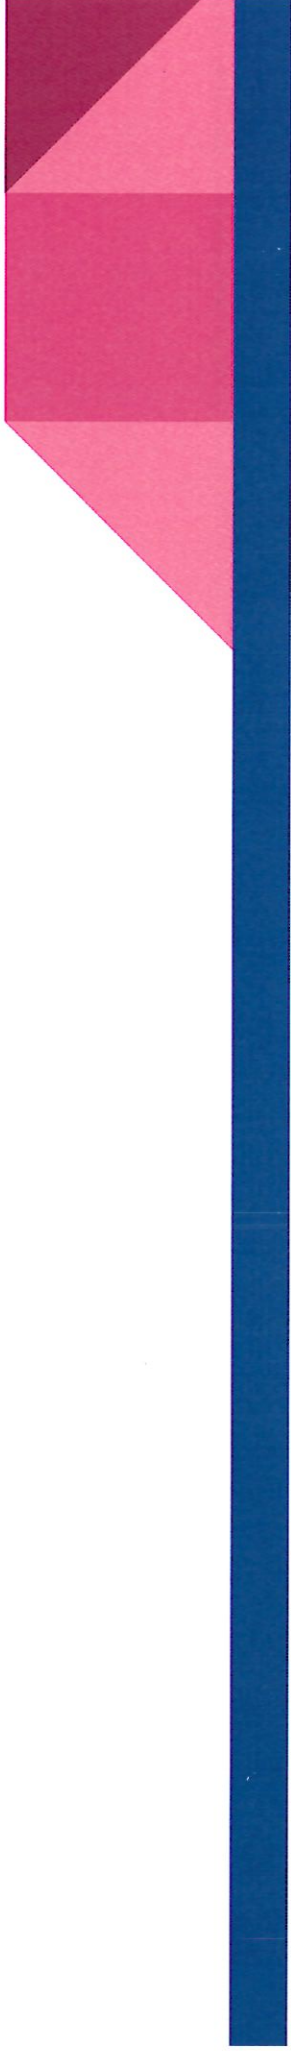

Utilization of Shared Spaces

- Special Areas (Art, Music, World Language),
- Schoolwide Spaces (Computer Lab, Auditorium, Science Lab)
- Intervention: RTI - Math and Literacy (Gifted)
- Special Education
- Related Services (Speech and Language, Psychologists, Occupational and Physical Therapists)
- Coaches (Literacy, Math, Science)
- Staff Offices - spaces for staff to work when classrooms are shared
