Dear Parents/ Guardians of New Students:

Please complete the following forms in the enclosed packet:

1. Physical Examination Certificate: to be completed by a **New York State physician/ practitioner** after having a physical examination.

By law, all new students and those entering grades pre-kindergarten, kindergarten, first, third, fifth, seventh, ninth and eleventh must have a NYS physical examination. Completed forms signed, stamped and dated within the last 12 months are acceptable.

2. Vaccination Administration Form: to be completed by your child's physician/ practitioner.

3. Tuberculin Screening Form: to be completed by your child's physician/practitioner.

4. Body Mass Index Form (BMI): (form not included in packet)

The School Nurse must submit a BMI and Weight Status Category report on students needing physical exams. Should you choose NOT to want your child's anonymous data reported to the State, please go to our website and print out the BMI Refusal Form, sign it and return it to your School Nurse as soon as possible.

5. Child Health History Information Form: to be completed by the parent/ guardian.

The information on this form helps ascertain the current health status of your child. This form is to be completed annually.

6. Dental Examination Certificate: to be completed by your child's dentist.

New York State requires public schools to request a dental health certificate for students at the time of school entry and in grades pre-kindergarten, kindergarten, first, third, fifth, seventh, ninth and eleventh.

7. Medication Permission Sheet: to be completed and signed by your child's physician/ practitioner and signed by a parent/ guardian, only if your child will be taking any medication while he or she is at school during the school day.

This form is NOT included in your packet. If needed, please pick one up at the Health Office or print it from the school website.

No student may bring in or take any medication in school (including inhalers) without a completed **Medication Permission Sheet** as well as a pharmacy labeled container for the medicine. This includes ALL medicines such as Tylenol or Motrin etc. All medications are kept locked in the nurse's office.

If your child has asthma, it is recommended to keep an extra inhaler at the nurse's office.

You may upload your Health documents into Operoo or bring them directly to your child's school. Make sure to keep a copy.

PLEASE DO NOT MAIL FORMS DURING THE SUMMER MONTHS.
