

THE INTERNATIONAL SCHOOL IN GENOA

SINCE 1966

SECONDARY SCHOOL YEARLY PLANNER 2021 – 2022

Subject: Mathematics

Grade level: 6

Teacher: Lauren House

Latest revision (day month year): 25 August 2021

Quarter	Start date	Midterm date	End date	HS Semester Exams
1	Wednesday 1 September 2021	Friday 1 October 2021	Tuesday 9 November 2021	12 th grade: 17-21 January / 9 th – 11 th grades: 19-21 January
2	Wednesday 10 November 2021	Monday 13 December 2021	Friday 28 January 2022	
3	Tuesday 1 February 2022	Tuesday 8 March 2022	Thursday 7 April 2022	9 th – 11 th grades: 8-10 June
4	Friday 8 April 2022	Tuesday 17 May 2021	Friday 17 June 2022	

Quarter: 1, 2, 3, 4	Unit #	Unit Name/Title	Key Knowledge Area / Concept / Competence / Topic and Notes
1	1	Numbers and the number system: civilisations and human interactions	Researching, representing and comparing number systems. Reading, writing, simplifying and converting between different forms of numbers. Simplifying numerical expressions using the order of operations. Using appropriate forms of rounding to estimate results. Denying and using the divisibility rules. Representing a number as an exponent, a square root, and as a product of its prime factors, in order to solve problems
q w	2	Percentages: inequality and difference	Representing a number in different forms – fractions, decimals and percentages. Converting between equivalent forms of numbers – fractions, decimals and percentages. Calculating percentage increase and decrease. Applying mathematical strategies to solve problems involving percentages
2	3	Algebraic Expressions and Equations: patterns in nature	Using correct terminology when analyzing algebraic patterns and sequences. Representing patterns in different forms – diagrams, sequences, tables, words. Creating and simplifying basic algebraic expressions. Generalizing a mathematical pattern using algebra, and solving applications involving algebraic patterns. Solving single-step and basic two-step algebraic equations
2/3	4	Geometric Constructions: artistry and creativity	Naming and classifying different geometric elements (point, ray, line, segment). Naming and classifying the different types of angle. Constructing and measuring angles. Solving problems using the various angle properties, including the angles in triangles. Naming and classifying the different types of triangle

THE INTERNATIONAL SCHOOL IN GENOA
SINCE 1966

3	5	Fractions: human connections	Representing and comparing fractions in different forms. Simplifying different forms of fractions. Using the four number operations (addition, subtraction, multiplication and division) with fractions. Applying mathematical strategies to solve problems involving fractions
3/4	6	Data management: trends in communities	Collecting, classifying and representing data. Constructing (by hand and using technology) and interpreting bar graphs, histograms, pie charts and line graphs. Determining the best type of graph to use to represent given data. Reading, interpreting and drawing conclusions from primary and secondary sources of data. Applying mathematical strategies to solve problems involving statistics
4	7	Perimeter, Area and Volume: environmental impacts	Generalizing the relationship between the area and perimeter of a rectangle, and between the areas of a triangle and a rectangle. Finding the perimeter and area of compound 2D shapes. Generalizing the relationship between the area of 2D shapes and the volume of their corresponding prisms. Finding the surface area and volume of regular 3D prisms. Applying mathematical strategies to solve problems involving 2D and 3D geometric shapes

THE INTERNATIONAL SCHOOL IN GENOA
SINCE 1966

SECONDARY SCHOOL YEARLY PLANNER 2021 – 2022

Subject: Physical & Health Education

Grade level: Grade 6

Teacher: Lucy Deas

Latest revision (day month year): September 2021

Quarter	Start date	Midterm date	End date	HS Semester Exams
1	Wednesday 1 September 2021	Friday 1 October 2021	Tuesday 9 November 2021	12 th grade: 17-21 January / 9 th – 11 th grades: 19-21 January
2	Wednesday 10 November 2021	Monday 13 December 2021	Friday 28 January 2022	
3	Tuesday 1 February 2022	Tuesday 8 March 2022	Thursday 7 April 2022	9 th – 11 th grades: 8-10 June
4	Friday 8 April 2022	Tuesday 17 May 2021	Friday 17 June 2022	

Quarter: 1, 2, 3, 4	Unit #	Unit Name/Title	Key Knowledge Area / Concept / Competence / Topic and Notes
1		Team Building	Communication: Learning to work together and communicate effectively within a group using collaborative skills to solve a variety of different problems.
1		Invasion games (Soccer, Unihockey, Handball, Touch Rugby, Basketball)	Change: While working in different invasion games students will develop their individual skills and movement in order to move into space effectively. Students will develop research and analyse different structures and strategies that can be used to improve the success of their team.
2		Net Games (Volleyball, Badminton, Table Tennis)	Communication: Students will be developing basic net games skills and explore and develop their communication skills in order to be successful when playing a game.
2		Creative movement (Dance, Gymnastics, aerobics, yoga)	Relationships: Students research and explore different movement styles through dance and gymnastics in order to develop their choreography skills and to create their own sequence of linked movements.
3		Health Related Fitness (Distance running, Circuit training, Orienteering)	Development: Students will analyse their own healthy habits and develop individual goals in order to improve their health and well-being.
3		Striking & Fielding games (Softball, Cricket)	Systems: Students will work as part of a team using their striking and fielding skills to develop a system that improves their team's ability to perform together as a group.
4		Track and field athletics (Running, Jumping and throwing events)	Development: Students will develop their individual athletic skills and using research and analysis will explore different techniques in order to improve individual performance.

3	Tuesday 1 February 2022	Tuesday 8 March 2022	Thursday 7 April 2022	9 th – 11 th grades: 8-10 June
4	Friday 8 April 2022	Tuesday 17 May 2021	Friday 17 June 2022	

Quarter: 1, 2, 3, 4	Unit #	Unit Name/Title	Key Knowledge Area / Concept / Competence / Topic and Notes
1	0	Pronti? Via!	Asking and answering questions, understanding classroom instructions, the alphabet
	1	Nuovi amici	Introductions and greetings / adjectives, numbers, first basic verbs, nouns, formal and informal registers
	2	Tu chi sei?	Describing physical appearance, expressing preferences / negative sentences, conjunctions, adverbs, prepositions
2	3	Musica che passione!	Daily activities, numbers >100 / definite articles, regular verbs in the present tense
	4	Che look hai?	Writing on the internet, asking questions on appearance, enquiring / reflexive verbs, indefinite articles
	5	La magia del cinema	Expressing likes and dislikes, describing a movie, locating people and objects / irregular verbs, prepositions
3	6	Questioni di famiglia	Telling the time, describing one's family, writing a comic / irregular verbs, possessive adjectives, ordinal numbers
	7	Ricerche in rete	Navigating the internet, writing and solving a rebus / articulate prepositions, the imperative tense
	8	Musica è vita	Describing music genres, writing a biography, locating events over time / the narrative present, identifying the subject of a verb
4	9	Per chi tifi?	Talking about sports and athletes, writing a sports' article / ordinal numbers, the progressive present, the gerund
	10	Cinema: giovani stelle	Talking in the past tense, using body language, famous Italian actors / the past tense, the superlative

4	Friday 8 April 2022	Tuesday 17 May 2021	Friday 17 June 2022	

Quarter: 1, 2, 3, 4	Unit #	Unit Name	Key Knowledge Area / Concept / Competence / Topic and Notes
1	pre-unit	Introduction - how do maps provide a sense of space, place and time	These first weeks will include an introduction to reading and understanding the physical and political maps we will be using throughout the year, a starting point for each of the major themes (listed below) that we will be focusing on, and a foundation for key skills to be developed throughout the year.
1	1	Europe - legacy of ancient civilizations	Students will study each continent through the following themes: Geography & Climate, Politics, War & Conflict, Religion & Culture, and Trade. Students will begin each unit by learning the major political and physical geographical borders and features of each continent before diving into the historical and modern overview of each of the themes listed above. This class is intended as a geographical and thematic introduction to secondary school history classes.
2	2	Africa - early humans	
3	4	Asia - what do we believe in?	
3	5	Australia- where do we live	
4	6	America - fairness & development
