Principal's Message

It is hard to believe that we are already planning for the 22-23 school year. Over the next month, we will be working with Centaurus students to choose their classes for next year. For our incoming freshmen, counselors have already begun visiting middle schools to present information around courses and schedules. In addition, we will also be hosting our Freshmen transition night on February 8th.

For our current 9th-11th grade students, teachers in core classes will be talking to students starting next week about next year's classes and giving their recommendations. We will also have grade level meetings in advisory where students will get to directly hear from their counselor about the process and course offerings, as well as answer any questions that students may have.

Please check in with your student this month about their classes for next year, as we work to provide the best academic opportunities for each individual student.

Help CHS Staff Displaced by the Marshall Fire

Warrior Families, as many of you know, some of our CHS faculty and staff lost their homes in the recent Marshall fire. We hope to provide dinners for impacted households that asked for help. Each family/household is listed on the signup, with approximate size and any food intolerances or preferences. Please sign up to feed one of these Warrior staff households if you are able to do so, or you can [donate to RevTrak](#) to buy dinner items or groceries to help out as well. Please deliver your meal to the front office on the day of your signup. [CHS Marshall Fire Meal Train](#)
