W.O.W. Project

Summative assessment (Criteria A., B. and C.)

W.O.W. stands for Wonderful Original Work of Art

A W.O.W piece is:

- Something that describes you as an artist
- A detailed work you are proud of
- An original idea
- A personal challenge
- Hard work
- Your best work
- Makes people say WOW!

A W.O.W piece is NOT:

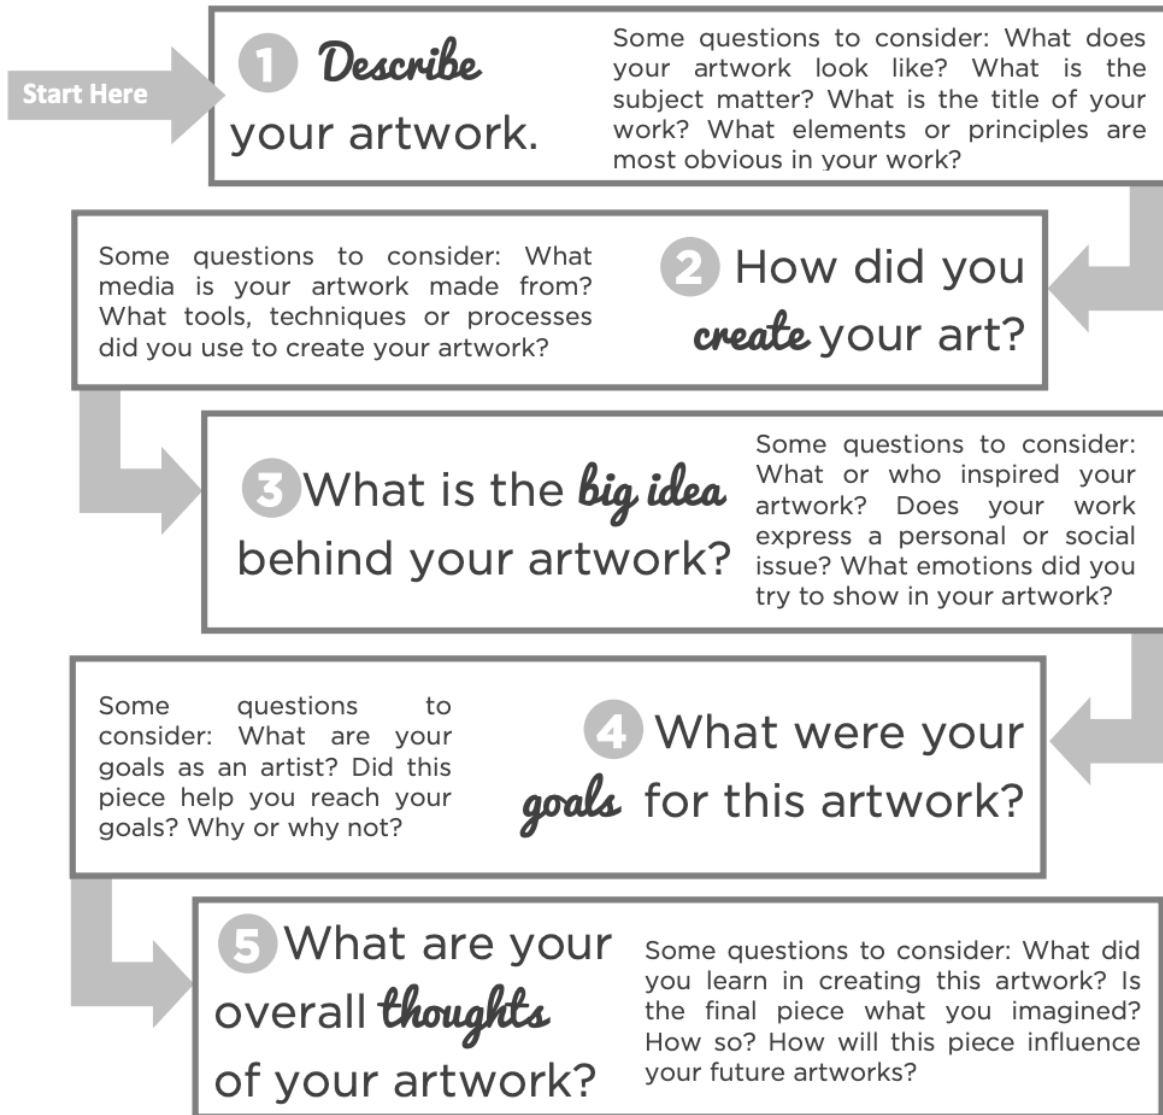

- A quick experiment
- Splatter painting only
- A scribble with colours
- A quick sketch or practice
- Something with smudges, rips or tears
- A collage with no focus
- A traced drawing
- Something you are not proud of

As an end-of-the-course project you will make your own **W.O.W piece**. You can use any media you like such as watercolor, digital art, collage, tempera paint and sculpture. The most important thing is that your project shows a high level of effort and commitment. Just look through your sketchbook and at google classroom to review what you learned over the year and get inspired. Collect ideas and tryout possibilities by making some sketches. Plan your work and make it up!

When your piece is done, please write an **Artist Statement** in 5 short paragraphs following the guidelines in the attached document. The artist statement will help you organize ideas for the final oral presentation (only a few minutes long!).
