Dear Keeneyville District 20 Families,

We are planning for schools to be open tomorrow, Wednesday 2/2 and Thursday 2/3. At this time, we do not anticipate an emergency closing at our schools. We will continue to monitor the winter weather forecast.

However, it is always best to be prepared. We wanted to share information with you if at any time school is to be closed due to bad weather or any other emergency situation. If we make a decision to close school, we will have a "snow day" with no remote instruction. We will attempt to notify you as early as possible, in several ways:

1. **Automated telephone call and email** to the primary contact information listed on your child's school record. *It is important that we have your current contact information on file, please notify your school office as soon as possible if your telephone, cell phone, or email address has changed.*
2. **Posted on District 20 Website** – www.esd20.org
3. **Posted on District 20 Social Media** – [Facebook](https://www.facebook.com/KeeneyvilleD20) and [Twitter @KeeneyvilleD20](https://twitter.com/KeeneyvilleD20)
4. **Posted on "Emergency Closing Center"** at <http://www.emergencyclosingcenter.com/> and as reported on radio and television - *WGN Radio (720), WBBM News Radio (780), TV channels BS, NBC, ABC, WGN, FOX, CLTV*
5. **Recorded Emergency Closing Message** found by calling one of our building's main numbers:

District Office	(630) 894-2250, press 4
Early Childhood Center (ECC)	(630) 894-4544, press 4
Greenbrook	(630) 894-4544, press 4
Waterbury	(630) 893-8180, press 4
Spring Wood	(630) 893-8900, press 4

I assure you that we do our utmost to consider the best interests of our students, families, and staff in any school closing decision.

Sincerely,

Dr. Omar Castillo
