Selecting 2022-23 Courses in Home Access Center (HAC)

1. Log in to your Home Access Center (HAC) with your **student account.**
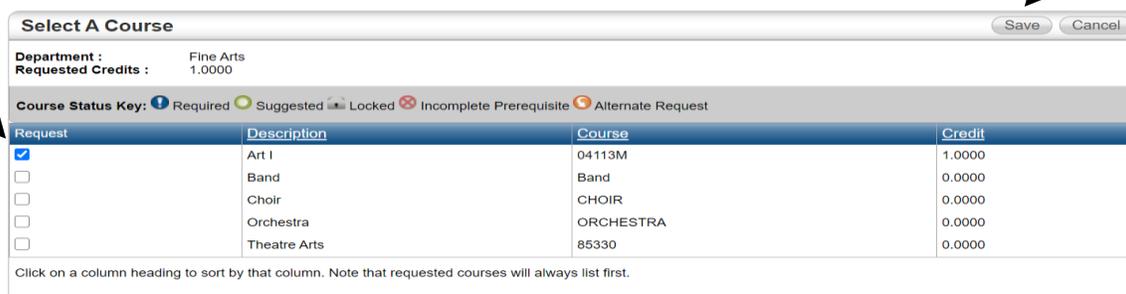

2. Click on **Classes**

3. Click the **Requests** tab

4. Click **EDIT** to select a course. Core classes and some classes such as advisory were pre-loaded already.

5. Check the course(s) you want to take. Click **SAVE** in the upper right hand corner.

6. **Only enter your top 2 requests.** Repeat steps 4 & 5 to select a total of **7** classes.

7. Before exiting make sure you count only **7** classes and hit **SAVE**
