Principal's Message

Hello, my name is Sam Strube, and I am happy to be joining the Tracy Independent Study Charter School (TISCS) community as the interim principal of TISCS. Twenty-seven of my twenty-eight years in education have been right here in Tracy. During this time, I have learned that caring for students, listening to parents, and supporting teachers are the keys to a healthy and successful school community. All of the staff at TISCS understand that parents and students alike need other options for our children's education; therefore, I am dedicated to working with the TISCS family to create a learning community that supports all stakeholders, helps our students discover and grow, and ultimately helps our students reach their fullest potential.

I am here to help you and your child succeed, so please do not hesitate to reach out to me at (209) 830-3280 or sstrube@tusd.net.

Sincerely,

Sam Strube

Principal

School Mission Statement

As an independent study/virtual program, Tracy Independent Study Charter School utilizes a standards-based education that addresses individual differences and learning styles and provides students the opportunity to select customized pathways.

School Vision Statement

Preparing each student to succeed in their future and be college and career ready upon graduation.

School Safety

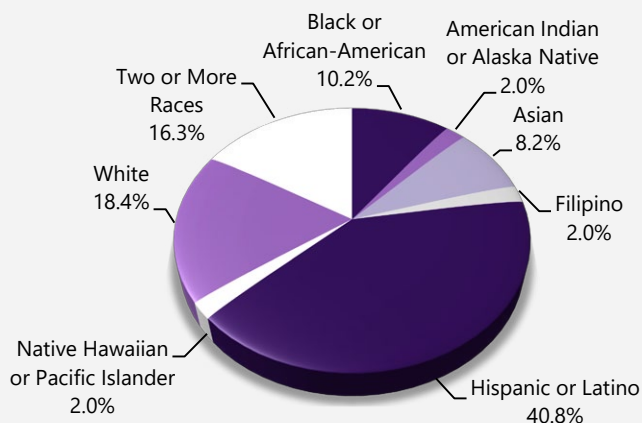

Student safety is a major priority at TISCS. Each year the school's safety plan will be reviewed and updated. Staff and students will be aware of drill protocols and will follow district office evacuation procedures, if necessary. All visitors to the school must sign in at the office, and all staff members will wear their school badges. There are several security cameras located around the school property. A positive school climate and safety are of utmost importance. The district School Safety and Violence Prevention Handbook and education codes are followed. Inappropriate student conduct is not tolerated. The school safety plan was last updated and discussed with the school faculty in February 2022.

Enrollment by Student Group

The total enrollment at the school was 49 students for the 2020-21 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2020-21 School Year

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

| Suspension rates | ▲ | | 5.5% | | 2.5% |
| Expulsion rates | ▲ | | 0.4% | | 0.1% |

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Professional Development

Our professional development focus was on building relationships with students and how technology will support distance learning. All professional development offerings were done so in a virtual capacity via Microsoft Teams. For this school year, we will follow Edgenuity's curriculum platform and our TUSD scope and sequence for all courses where instructional guides exist. As a dependent charter school, we will be supporting grade-level course content and are accountable for ensuring students have access and learn the course/grade-level standards and skills.

As a home-based charter school, TISCS is determined to find the most effective practices to support student learning in a virtual manner. The principal and academic counselor worked to provide our teachers specific training on the Edgenuity site and platform. In addition, the Professional Learning and Curriculum Department team of TUSD met virtually with our teachers to learn the effective practices and the challenges encountered when teaching through Microsoft Teams. Information was made available to our teachers on how to develop Microsoft Teams templates that TISCS teachers could use as the foundation for building their virtual classrooms. The following tools and resources were put together to support TISCS teachers in building their Teams virtual classroom and developing distance learning routines.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

Note

Due to the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order N-30-20 which waived the requirement for statewide testing for the 2019–20 school year. Also due to the COVID-19 pandemic, the U.S. Department of Education approved a waiver of the requirement for statewide testing for the 2019–20 school year, as specified on the CDE Every Student Succeeds Act web page at <https://www.cde.ca.gov/re/es/>.

SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

■ Data for 2019–20 are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–20 school year.

* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

| School Facility Good Repair Status | | 2021-22 School Year |
|--|--|---------------------|
| Items Inspected | | Repair Status |
| Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC) | | Good |
| Interior: Interior surfaces (floors, ceilings, walls and window casings) | | Good |
| Cleanliness: Pest/vermin control, overall cleanliness | | Good |
| Electrical: Electrical systems | | Good |
| Restrooms/fountains: Restrooms, sinks and drinking fountains | | Good |
| Safety: Fire safety, emergency systems, hazardous materials | | Good |
| Structural: Structural condition, roofs | | Good |
| External: Windows/doors/gates/fences, playgrounds/school grounds | | Good |
| Overall summary of facility conditions | | Good |
| Date of the most recent school site inspection | | 7/30/2021 |

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

| Deficiencies and Repairs | | 2021-22 School Year |
|----------------------------|--|---------------------|
| Items Inspected | Deficiencies and Action Taken or Planned | Date of Action |
| Interior | Room 3 (B3) Tile needs to be popped out. Room C2 ceiling tiles popped out. Work order submitted. | October 2021 |
| Restrooms/fountains | Room 9(C1) faucet handle sticks, C3 faucet won't turn on. Work order submitted | October 2021 |

School Facilities

Since TISCS is a home-based charter school that is dependent on TUSD (Tracy Unified School District), we have commandeered the old IGCG campus. The current set up includes a main office building, staff room, staff restrooms and classrooms that house two teachers each. Since TISCS does not participate in any extra-curricular sports or club programs, no other facilities are needed. At the start of the school year, the principal met with the facilities supervisor to ensure a regular cleaning and sanitation scheduled was prepared for our classrooms and restrooms.

"Preparing each student to succeed in their future and be college and career ready upon graduation."

About Our School

TISCS is open to students in grades K-12th and is nonsectarian in its programs, admissions policies, employment practices, and all other operations. TISCS targets and intends to educate students seeking a non-traditional educational setting. TISCS serves two distinct populations though an independent study approach and virtual academy in the Calaveras, Amador, Sacramento, Contra Costa, Alameda, Stanislaus and San Joaquin Counties. TISCS serves students who seek an alternative educational model that provides for greater flexibility in terms of time and delivery of instruction. Students who are struggling in the traditional classroom setting, are behind academically, and would benefit from a one-on-one student to teacher ratio for academic support, credit recovery and/or skill remediation. The alternative educational program serves high school students seeking virtual, non-classroom-based environment that provides standards-based academic assignments to allow them to graduate from high school in a flexible learning environment. Furthermore, this program seeks to serve students who leave the District in pursuit of other alternative educational options.

It is the policy of TISCS to ensure equal educational opportunity for all students and to prohibit discrimination because of race, color, religious creed, age, sex, marital status, national origin, ancestry, or disability in employing personnel and in carrying out the educational programs and activities including, but not limited to course offerings, tests, and procedures.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Parental Involvement

TISCs will convene an Advisory Council (the "Council") made up of the Principal, one (1) teacher, two (2) parents of TISCs students and one (1) community member. The individuals to serve on the Council will be appointed by, and serve at the pleasure of, the Board of Education of the Tracy Unified School District. The Council shall meet regularly (except during the summer) and in accordance with the Brown Act and Education Code Section 47604.1(c). The Council shall be responsible for the following:

- Providing an open forum for all stakeholders to have a voice in Charter School operations.
- Monitoring Charter School data including, but not limited to, enrollment, attendance, demographics, student discipline, and academic performance.
- Reporting to the Tracy Unified School District Board of Education, at least annually, as to the progress of the Charter School.
- Recommending changes in policy, procedure, curriculum, and Educational Program to the Tracy Unified School District Board of Education, as necessary.
- Promoting the Charter School in the community.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the percent of authorization/assignment of teachers as well as the total number of teachers without credentials and misassignments at the school level. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Permits/waivers: Teachers that are issued limited emergency permits by the California Commission on Teacher Credentialing that authorize them to temporarily teach courses and student groups they are assigned to without possessing the appropriate credential.

Teacher Misassignments: The assignment of employees to teaching or pupil services positions for which the employee does not hold the required certificate, credential, or other statutory authorization.

Vacant Teacher Positions: The total number of the school's vacant teacher positions.

| Teachers Without Credentials and Misassignments | | 2019-20 School Year |
|--|-------|---------------------|
| Authorization/Assignment | TISCS | |
| Permits and Waivers | ▲ | |
| Misassignments | ▲ | |
| Vacant Positions | ▲ | |
| Total Teachers Without Credentials and Misassignments | ▲ | |

▲ Tracy Independent Charter first opened in 2020-21, therefore no data is available.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Teacher Preparation and Placement

Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned): The teacher possesses a California preliminary or clear credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

Intern Credential Holders Properly Assigned: The teacher possess a California intern credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

Teachers Without Credentials and Misassignments ("ineffective" under Every Student Succeeds Act [ESSA]): An ineffective teacher is any of the following:

- An individual whose assignment is legally authorized by an emergency permit that does not require possession of a full teaching license; or
- A teacher who holds a teaching credential but does not possess a permit or authorization that temporarily allows them to teach outside of their credentialed area (misassigned); or
- An individual who holds no credential, permit, or authorization to teach in California.
- "Ineffective" includes the following limited term emergency permits:
 - Provisional Internship Permits;
 - Short-Term Staff Permits;
 - Variable Term Waivers; and
 - Substitute permits or Teaching Permits for Statutory Leave (TSPL) holders serving as the teacher of record.

Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA):

A credentialed teacher who has not yet demonstrated subject matter competence in the subject area(s) or for the student population to which he or she is assigned. Under this definition, the following limited permits will be considered out of field:

- General Education Limited Assignment Permit (GELAP)
- Special Education Limited Assignment Permit (SELAP)
- Short-Term Waivers
- Emergency English Learner or Bilingual Authorization Permits
- Local Assignment Options

Unknown: These are instances where either information about the course assignment or the teacher is either missing or has been identified as incorrect. Therefore, an accurate assignment status cannot be currently made.

Career Technical Education Programs

Tracy Independent Study Charter School does not offer Career Technical Education Programs.
