## Principal's Den

---

Dear LES families,

Happy February! It's been a busy start to the second semester here at Liberty. Students are finishing up their ELA and math winter benchmark assessments this week. Student data from those assessments will be collected and analyzed by grade level teachers, our academic coaches, and administration. We will meet and discuss areas of academic strength and areas to strengthen. The data from the assessments and meetings will help us plan our instruction for the next several months. If you have questions, don't hesitate to reach out to your child's teacher!

Respectfully,

Mrs. Patton

## Community Project

We're hosting a school wide craft during our Valentines parties that will also double as our Community Service Project. Each class will make a **Heart Garland** covered in notes and happy thoughts for our friends at the Franklin Wellness and Rehabilitation Center and NHC. We are excited to bring some cheer to members of our community!

## Attention 4<sup>th</sup> Grade Families!

Can you believe your little Liberty lion is about to be a FIS bulldog? Dr. Hoag and his staff want to make this transition as smooth as possible for your family. Be sure to mark your calendars for **Thursday, March 31<sup>st</sup>**. This is the FIS Rising 5<sup>th</sup> grade Family Night. Doors will open at 6:00 that evening. Families will be able to meet FIS teachers, see classrooms, and get a tour of the school. At 6:30, a presentation will be held that will provide helpful information to families as you begin this transition.
