Check-In and Emergency Contact Information

We look forward to making sure that your child not only has a great time this summer, but also is safe while in our care. We ask that you help us by following the guidelines below.

- Students enrolled in a camp or class during the summer should be checked in and out of the camp by a parent or caregiver unless otherwise arranged.
- We request written permission (email is acceptable) from a parent or guardian when a student will be leaving the building on their own.
- Please make sure that your emergency contact information is current and that any special needs or allergies are included in your child's profile.

Prorating

We do not prorate classes or camps. Classes are designed to allow enough time to complete course curriculum.
