Holiday Time:

Means seeing extended family, getting together with friends, seeing friends that are coming home from college etc.... This is a good time to ask about their career, college background and experiences. This information could be helpful to you when making decisions about your future. Invest time to listen to those that are near to you, it will strength your relationship as we as learn more about your choices for college and careers.

Start Well...

End Well

1st Quarter is in the books. We are in the middle of the 2nd Quarter with Exams on the calendar for the week of December 14th. Begin now to prepare for semester exams.

1. Begin by getting organized.

2. Next make yourself a study schedule.
3. Follow through.
