ARTICLES

ARTICLE 2: Shall the District appropriate the sum of Forty Thousand Dollars (\$40,000) from the Don S. Bridgman Fund during the 2023-2024 fiscal year in order to afford additional advantages to the students of the District not provided by taxes?

The School Board recommends this appropriation.

NOTE 1. In his will dated January 20, 1917, Don S. Bridgman left a portion of his estate to what is now the Hanover School District. These monies are known as the Bridgman Fund and are currently invested to provide a stream of income for years to come. Expenditures from the fund are used for projects that would not be covered in the school's regular operating budget. Monies are taken only from the Bridgman Trust Fund, so this appropriation has no effect on the tax rate.

and further, shall the District raise and appropriate the sum of Four Thousand, Fifty-Four Dollars (\$4,054), such sum representing the estimated increase in custodial and maintenance technician salaries and benefits for the 2023-2024 fiscal year brought about by this collective bargaining agreement?

The School Board recommends this article and appropriation.
