

# LA FAMILIA HIGH SCHOOL

DIGNITY | PERSEVERANCE | ACHIEVEMENT

Welcome Back **LOBOS!!!!**

We are excited to start the 2021-2022 school year safely together. We look forward to welcoming our students back to campus and supporting their goals of graduation. Ensuring our communities and all stakeholders safety we are following these COVID-19 protocols: classrooms will be sanitized daily, Students will need to do a daily screen at home, hand hygiene will be encouraged, air purifier, sanitizer, wipes in every class, no guest speakers with students at this time, Plexi glass available if needed, student ID required, and mask required indoors. We appreciate your help in keeping our students and each other safe. With the continued support of our school community we will succeed! We are all in this together!

My educational philosophy has always centered around the intrinsic value of our humanity. We stand for education as a universal and fundamental human right. This year along we will focus on: transformational justice, best first tier one instruction, and data progress monitoring. Our guiding principles are:

**Core Belief:** Each and every student is capable of learning at high levels.

**Vision:** Every graduate is prepared for success in college, career and active citizenship in their community.

**Mission:** Every student will feel welcomed, valued, and expected to engage in rigorous, relevant, instruction in every classroom, every day.

Our next steps and priorities for the 2021-22 school year will be to rebuild our connections with students, parents, and each other. Licia Perea said, "That's the beauty of collaboration. You get pushed and stretched to go where you'd never go otherwise." At La Familia our power lies in our ability to come together and do what is in the best interest of our students. We will focus on: relationship building through advisory, strengthening our PLC through Edmentum Exact Path Diagnostic, expanding our alternative pathways, Canvas: modules, pages, and assignments.

Your Proud Principal,

Dr. Rosalind Henderson
