

Please tell [the Health Center](#):

- If you have a positive COVID test;
- If you're quarantining or isolating;
- If you're unvaccinated or not-fully vaccinated and a close contact of a confirmed positive case;
- Any updates on your vaccination status (use [this form for students](#); employees should email [Sherry Goulding](#))

Solebury School will:

- Disclose positive diagnoses to Bucks County Department of Health and State of Pennsylvania
- Notify close contacts of exposure

Situation		Quarantine/Isolation
Community member tests (+)	Symptomatic	Stay home for 5 days from start of symptoms; if symptoms are mostly resolved and fever-free without the use of medication after 5 days, may test on day 6 and if (-) return; if test is (+) then repeat 24 hours later and return when (-); strict mask-wearing required for 10 days.
	Asymptomatic	Stay home for 5 days from date of test; if still asymptomatic repeat test on day 6 and if (-) return; if test is (+) then repeat 24 hours later and return when (-); strict mask-wearing required for 10 days.
Fully vaccinated individual aged 12-17, recently COVID-positive individual, or adult who is up-to-date on COVID-19 vaccinations is a close contact of a confirmed (+) case	Symptomatic	Stay home, rapid ag test 24 hours after symptoms begin; if test is (-) confirm with PCR; if both (-) and fever-free may return to campus with strict mask-wearing for 10 days from exposure.
	Asymptomatic	Strict mask-wearing and monitoring for symptoms for 10 days, rapid ag test on day 6.
Unvaccinated or community member who is not up-to-date on COVID-19 vaccinations aged 18+ is a close contact of a confirmed (+) case	Symptomatic	Stay home for minimum 5 days, rapid ag test 24 hours after symptom start and again on day 6, if (-) confirm with PCR, if all (-) and fever-free may return to campus on day 6 with strict mask-wearing for 10 days from exposure.
	Asymptomatic	Stay home for 5 days; if still asymptomatic, rapid ag test on day 6 and if (-) may return to campus with strict mask-wearing for additional 5 days.

*Please note that adults are considered “up-to-date” if they: a) are boosted; b) completed the primary series of Pfizer or Moderna vaccine within the last 5 months; OR c) completed the primary series of the J&J vaccine within the last 2 months
