

THE BOLT

WEEKLY FAMILY NEWSLETTER

Daily Attendance

We understand that many of your families have different daily demands. We are currently taking attendance based upon your interactions with teachers and the submission of work or answering questions on Google Classroom. Please complete the survey so we can support you and your Bridge Builder.

Assignment Submission

It is our expectation that students are watching the lessons and completing the assignments on the day it is given. We understand that there are other demands that we are all dealing with. Work can be submitted through Google Classroom (a document or photo), through the HMH site when appropriate, or by communicating with your teacher. Please complete the survey so we can support you and your Bridge Builder.

Welcome to our Newsletter!

We want to thank you for the work you are doing to keep your Bridge Builder connected to our virtual learning platform. We understand that these are unique times, and we want to offer your families as much support as possible. We have chosen to launch a weekly virtual newsletter to keep you informed in a fun and visual way. Please read this entire first issue. It outlines virtual learning expectations, resources for you, and fun activities we have planned for your Bridge Builder.

If you are experiencing technological issues, please reach out to us at mainoffice@bridgeprepcharter.org. A member of our team will get back to you as quickly as possible.

We value you as school community members and encourage you to communicate with your child’s teacher. We’re all in this together. To that end, we are sending you a survey to learn how we can best support you and your Bridge Builder during this time. As a school, we must continue to provide instruction and take attendance, but by filling out this survey, you can help shape how distance learning looks for our school.

Please fill out the survey below:

Virtual Spirit Week

Event though school is closed, we can still celebrate! We will have a virtual spirit week to connect as a school community. Each day, dress up for the day’s theme, and share pictures of your family joining the fun:

- March 30 - Pajama Day
- March 31 - Favorite Color Day
- April 1 - Superhero Day
- April 2 - Favorite Jersey Day
- April 3 - Lightning Day
