

# THE BOLT

## WEEKLY FAMILY NEWSLETTER

### Daily Attendance

Attendance continues to be taken daily through Bridge Builders' interaction with the teacher and Google Classroom. This includes, but is not limited to answering the Morning Meeting question, turning in assignments, or communication with the teacher. We understand family work schedules and other situations can make logging on during school hours difficult at times, thus we are accepting daily assignments until **8pm**.

### NEW Live Teaching

All classroom teachers will be conducting a live Q&A teaching session on Wednesday, April 15th. If they have not done so already, they will communicate the time to you. All related services will continue this week as scheduled.

Starting the week of Monday, April 20th, our three live teaching sessions will resume on Monday, Wednesday, and Friday. The teachers will also communicate their lesson schedules with you.

## Virtual Learning Continues!

Thank you to those of you who tuned in to our live stream on Facebook. If you missed it, you can see the video on our page. As discussed, our goals for this upcoming week are to maintain stability and routine for our students, while also allowing everyone to take a collective breath and the necessary space to catch up, adjust, plan, and enjoy time with family. We will achieve this by providing engaging opportunities that will give our Bridge Builders time to review skills and concepts learned, engage in interactive science and social studies projects, check in with teachers, and spend time with family.

As per orders from Governor Cuomo, NY schools will remain physically closed through **April 29th**, and we will continue forward with Virtual Learning. As updates to this timeline change, we will continue to keep everyone up to date.

## Social Emotional Learning Challenge

We've been challenged to 100% participation in the Social Emotional Learning Passport Challenge. We've mailed your passport to you, so keep an eye out! Complete this challenge by drawing a smiley face after completing each activity on the pages of your SEL Passport. Upload a video flipping through your completed passport onto Google Classroom. Here's a link to your passport, just in case: [SEL Passport](#).

### Family Self-Care Corner

Your family's health and safety is our top priority! Please use these resources to unplug, reconnect, and take care of those you love:
