Work Submission, Grading, and Attendance

We have received questions about grading and what impact this period of virtual learning will have on students' progress and overall achievement. We will share information about how virtual learning fits within our grading policy in the coming weeks, but here are a few important things to remember:

- Attendance continues to be taken daily through student interaction with teachers and Google Classroom. Please check with your teacher if you have questions about your Bridge Builder's attendance.
- It is imperative that your Bridge Builder is attending all live teaching sessions, and completing assignments, which are being accepted daily until **midnight**.

We are consciously aware and thinking about our students' progress, and are planning ways to support them when we are together in the fall. Critical to this process will be collaborating on work submission, progress monitoring, and resource sharing. More to come!

We appreciate YOU!

We want to take this time to say THANK YOU to all of our teachers and staff for working diligently everyday. We also want to say THANK YOU to our BPCS families for being our Bridge Builders' first teachers! You are all doing an amazing job during this unprecedented time.

Family Self-Care Corner

May is Children's Mental Health Awareness Month! Here are resources from National Center for Children and Families and National Federation of Families for Children's Mental Health:

Virtual Spirit Days

Please keep the virtual spirit day pictures coming! Take a look at next week's themes:

May 11 - Tie-Dye Day

To celebrate, wear colors to express yourself!

May 13 - Career Day

Explore different jobs for your bright future. Dress for the job you want!

May 15 - School Spirit Day

Wear blue or red to represent our school colors!

Live Teaching Continues

Daily live teaching sessions continue this upcoming week.

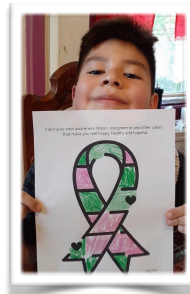

Classroom teachers have communicated times and subjects with you via email, in addition to, posting lesson materials on Google Classroom the evening before at 4pm. Our teachers are working to provide feedback and support to your Bridge Builder. Please continue to submit work through Google Classroom and live teaching sessions.

Ongoing Tech Support

We are continuing to host our weekly Technology Q&A on Tuesdays from 2 - 3pm. Please use this link to join us on Google Meet: [BPCS Technology Q&A](#). For any technological support, please reach out to us at mainoffice@bridgeprepcharter.org. A member of our team will get back to you as quickly as possible.

Related Service Scheduling

As we transition into daily live teaching, we know that adjustments to related service schedules will need to be worked out. Please reach out to any providers if there are conflicts with any of your related service tele-therapy sessions and classroom live teaching sessions. We are happy to reschedule!
