## WEEKLY FAMILY NEWSLETTER

### Work Submission, Grading, and Attendance

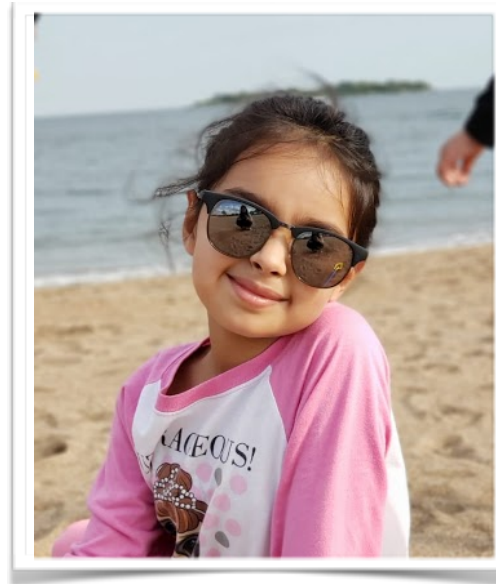

As we plan to close out the school year virtually, we will continue daily live teaching sessions and Google Classroom assignments. Lesson materials will be posted the evening before at 4pm.

Attendance continues to be taken daily through student interaction with teachers and Google Classroom. Please check with your teacher if you have questions about your Bridge Builder's attendance.

It is imperative that your Bridge Builder is attending live teaching sessions, and submitting all completed assignments, which are being accepted daily until **midnight**.

### Ongoing Tech Support

Join our Technology Q&A on Tuesdays from 2 - 3pm on Google Meet: [Technology Q&A](#). For any technological support, please reach out to us at [mainoffice@bridgeprepcharter.org](mailto:mainoffice@bridgeprepcharter.org). A team member will get back to you as quickly as possible.
