WEEKLY FAMILY NEWSLETTER

Work Submission, Grading, and Attendance

As we plan to close out the school year virtually, we will continue daily live teaching sessions and Google Classroom assignments. Lesson materials will be posted the evening before at 4pm.

Attendance continues to be taken daily through student interaction with teachers and Google Classroom. Please check with your teacher if you have questions about your Bridge Builder's attendance.

It is imperative that your Bridge Builder is attending live teaching sessions, and submitting all completed assignments, which are being accepted daily until **midnight**.

Ongoing Tech Support

Join our Technology Q&A on Tuesdays from 2 - 3pm on Google Meet: [Technology Q&A](#). For any technological support, please reach out to us at mainoffice@bridgeprepcharter.org. A team member will get back to you as quickly as possible.

Happy June!

As we embark on the final month of our founding school year, we reflect on our first year with humble gratitude for your ongoing support and collaboration. We continue to be a student-centered learning community that prioritizes our students' individuality and potential. We will continue to utilize standards-based grading to provide you with feedback on Bridge Builders' progress in Trimester 3.

We hope to answer many of your questions about plans for next year during our End of Year Family Meetings coming in June. If you have a question about if your student is being promoted to the next grade, please note that if you have not heard directly from the school indicating your student would not be promoted to the next grade, there is no plan for that to occur.
