#### COMMENTS FROM THE AUDIENCE

There were five (5) comments from the audience this evening regarding CRT, curriculum, social emotional learning, and great experiences in Novi schools.

#### SUPERINTENDENT REPORT

Dr. Steve Matthews, Superintendent of Schools, invited everyone to Novi High School tomorrow at 5:30 PM to come and see three (3) great high school basketball games. He reported the first is our Novi High School Varsity Girls' against Northville at 5:30; and then our Unified team plays at 7:00 PM; and our Boys' Varsity plays at 8:00 PM. Dr. Matthews stated that during the Unified basketball game's halftime, Novi will be recognized as a Special Olympics' Unified Champion School.

Dr. Matthews said on February 4<sup>th</sup>, Novi is participating with schools from around the state to support Oxford High School by wearing the Oxford Strong shirts. He mentioned that anyone wearing an Oxford Strong shirt will get into the game that night for free. Dr. Matthews reported that there is a Peach Jar flyer on our District website that has more information and how you might be able to get your Oxford Strong shirt.

Dr. Matthews stated that today he listened to State Superintendent Michael Rice talk about the teacher shortage in Michigan. He said that in Michigan, the teacher preparation program enrollment is down 56 percent and teacher education completers are down 59 percent over the last 10 years. Dr. Matthews mentioned that this multi-year effort, in our state, to diminish the status of teachers and administrators has had a profound effect upon the people who want to go into the field of education. He reported that we continue, through Dr. Kinzer's office, to attract high quality teachers, but it truly has become a much more difficult challenge that State Superintendent, Dr. Rice, addressed today.

#### ADMINISTRATIVE REPORTS

Mr. Greg McIntyre, Assistant Superintendent of Business and Operations, reported that he was going to talk a little bit about the January Consensus Revenue Estimating Conference. He stated that some may have had a chance to listen in on that last week. Mr. McIntyre said that they are going to be talking about this in Cabinet and what it means to us. He mentioned that he was going to focus on just a couple of numbers. Mr. McIntyre reported that there is a lot of moving money in, so 1.2 billion of carry overs flowed into FY21. He stated that he was going to talk about the top number and the bottom number. Mr. McIntyre said that the top number is what the stated balance is and the bottom number, what he is going to give to the Board, is what the structural balance is. He mentioned that is money that, without all of this extra money, is a one-time savings.

Mr. McIntyre reported that for FY21, the balance in the school aid fund is 2.8 billion, but the structural balance is 1.7 billion. He stated that for FY22, it is projected to be 3.6 billion, but the structural balance is 719 Million. Mr. McIntyre said that for FY23, the stated balance is 4.6 billion and the structural balance is 1.0 billion. He mentioned that the bottom number, you probably know by now that I am really conservative, is what I am focusing on.

Mr. McIntyre reported that he is looking at what we can get based on the school index fund for FY22 and FY23, combining those years together. He stated that we are looking at about a 72 increase in foundation allowance for FY22 and 198 dollars in foundation allowance for FY23. Mr. McIntyre said that all this extra money out there, the one-time money, that 1.2-billion-dollar carryover if you take that out, where do you land. He mentioned that is what he is trying to tell us right now.

Mr. McIntyre reported that right now, we might get a lot of that money, but he does not know. He stated that he understands that the economy is well right now, but it is based on a lot of uncertainty in that forecast. Mr. McIntyre said that enrollment, district/statewide, could drop, which is a challenge within itself. He mentioned that he just put that number out there because the Board will be hearing different numbers, but you have to go behind them and find out what the underliers are.

Mr. McIntyre reported that Cabinet members will be talking about this amongst themselves and what it means to us and what we are going to look at moving forward. He stated that you have to tie bar these years together and cannot just look at them in a silo. Mr. McIntyre said that as he gets more, he will come back and share it with the Board. He mentioned that this was the January cree and there will be a May cree as will. Mr. McIntyre stated that the we know how the budget works, where the House has a plan and the Senate has a plan and they get together with the governor and massage the numbers and agree on some numbers.

Dr. Gary Kinzer, Assistant Superintendent of Human Resources, reported that a week from tomorrow, the twenty-eighth of January, he will finish his time as interim principal at Deerfield. He stated that he wanted to take this opportunity to thank the Deerfield community, our teachers and staff, as well as our parents and students, for so graciously welcoming him at Deerfield. Dr. Kinzer said that he had a great experience there and is very excited for the thirty-first, when Melissa Lane, our new Deerfield principal will begin.

Dr. Kinzer mentioned that he had a conversation with Mrs. Lane today and she will be joining us, in the District, next Wednesday. He reported that she will spend most of her day at Deerfield, but some of the time here at the ESB, as well as Novi Woods, where they are going to have an elementary principal lunch meeting to get her ready to start and hit the ground running on the thirty-first. Dr. Kinzer stated that he will spend time those first few weeks at Deerfield to help her get acclimated.

Dr. RJ Webber, Assistant Superintendent for Academic Services, expressed his gratitude to Senator Jim Runestad. He reported that he met with Senator Runestad for about an hour and a half last week. Dr. Webber stated that they had a healthy conversation around topics in education right now and he appreciated the fact that the senator had come to his office. He said that they visited Village Oaks and hung out there for a little while. Dr. Webber thanked the senator and his staff, that he interacted with last week.

Dr. Webber reported that he is fortunate to be a resident here in Novi, to coach athletic teams here at Novi and to have served this community for 12 years, be a Rotarian. He stated that the joy that he has is running into parents. Dr. Webber said that he and Dr. Matthews meet with different parent groups no less than 10 formal times a month from the Superintendent Book Clubs, to Interschool Council, to all these different pieces. He mentioned that often times those informal conversations where people reach out, have questions, conversation, and so on, and unequivocally what I know is that our parents these past two (2) years have stress and feel the load of those who are trying to work and keep their homes together as well as their kids is tremendous.

Dr. Webber thanked the people for the privilege of having them open up and seeing our school District as a place that can help them or be of service to them. He stated that his heart is definitely with them.

Dr. Webber took a moment to remember Dr. Rita Traynor, someone he never had the pleasure of meeting but who many in the community may remember, by reading her obituary. He reported that her obituary was something of deep inspiration and he wished that he would have known her. Dr. Webber stated that her husband passed away at age 52 and she passed away at age 95. He went on to say how she, as a single mother, was not able to earn her college degree until the age of 45, going to school part time. Dr. Webber said that she started her career as a fourth grade teacher, here at Orchard Hills Elementary and went on to become the District's Assistant Superintendent of Instruction. He mentioned that she continued to attend classes until earning her master's degree for Oakland University in 1976 and her Doctorate from the University of Michigan at age 64 and then retiring at age 77.

Dr. Webber stated that she will continue to be a role model of resilience and strength for all who knew her. He reported that there will be a celebration of life held on Saturday, February 26 at 2:30 PM, in Grand Rapids. Dr. Webber said that Dr. Traynor showed us, in the way that she chose to live her life, that education is a truly transformative opportunity for so many.

#### BOARD COMMUNICATION

Mrs. Roney, Board Trustee, reported that she went to the OCSBA meeting. She stated that they had Dr. Rod Green, consultant for superintendents, who helps find superintendents. She stated that he said if you have a good superintendent, hold on to them because they are far and few between. Mrs. Roney said that there used to be 50 to 90 applicants and now they are only getting 10. She mentioned that a lot of times Districts are stealing from other Districts.

Mrs. Roney reported that another thing that he talked about was the District's Board; whether they would or would not go to a District was their Board of Education and do they work well together. She stated that we all do, so kudos for us. Mrs. Roney said they had a really nice meeting and the next one is on March 16<sup>th</sup> and then the awards banquet is June 15<sup>th</sup>.

Mrs. Hood, Board Treasurer, reported that she spent her lunch hour on Tuesday listening to the MASB Members Matter Webinar. She stated that Don Wotruba and Brad Banasik talked through various issues. Mrs. Hood said they did spend a bit of time on the Revenue Estimating Conference and they said that there is enough money to potentially pay off our MSPERS' debt, which she found hard to believe. She mentioned that she would be interested in the assessment that Mr. McIntyre and his team do, not that MSPERS is our issue, but on the School Aid Fund.

Mrs. Hood reported that he also said there was an unfortunate editorial in the Detroit News, written by Ingrid Jacques, a long-time and well-known non advocate of public schools. She stated that the MASB issued a response to that editorial on the 17<sup>th</sup>/18<sup>th</sup>.

Mrs. Murphy, Board Trustee, reported that she might be the only one who knew Dr. Traynor. She stated that Dr. Traynor was amazing and Deerfield was her "brainchild" years and years ago. Mrs. Murphy said that she was surprised that she was that old because she had so much energy all the time. She mentioned that she was somebody who was a champion of public education and was very approachable by everyone.

Mrs. Murphy reported that a lot of people in the community knew her very well because she may have had their children as a teacher. She expressed her appreciation to Dr. Webber for recognizing her because she was a big part of this District and she did a lot of really fantastic things for us in this District. Mrs. Murphy stated that when Dr. Traynor retired there was a very large outpouring of people that came to wish her well in her next chapter of life and she will be missed.

Mr. Smith, Board Trustee, thanked Chartwells and Kimberly Sinclair for the wonderful, fancy, and thoughtful gift. He stated that it is always fun to be received so well. Mr. Smith said that it is just really neat that every now and then we will get a trinket. He mentioned that the chocolate covered strawberries might be missing by the time he gets home.

Dr. Danielle Ruskin, Board President, reminded everyone that the Unified Basketball game is tomorrow. She stated that if you are going to the café, over at the library, this is just another reminder that we have a great working collaborative relationship with Chartwells and the café over there. Dr. Ruskin said that the café services our community, but the NATC kids work there and run that establishment. She mentioned to get back into the habit now that the library is open, throw your masks on, and go there to support our kids.

Dr. Ruskin reported that we made the Novi Note. She stated that the Novi District is to host events supporting Oxford Strong fundraisers, which include the February 4<sup>th</sup> games. Dr. Ruskin said that shirts have been ordered that say Novi Community School District supports Oxford Strong, so we will be doing that in the next couple of weeks.

Dr. Ruskin reported that she knew that Mr. Mena, most recently, received an award. She stated that she saw something on Twitter about the Michigan High School Football Coaches Association thanked you. Dr. Ruskin said she wanted to acknowledge that and to thank Mr. Mena for all of the time, hours, and energy that he truly puts into athletics. She mentioned that everytime she pulls into the parking lot, there is Mr. Mena's car, so she just wanted to congratulate him and express her gratitude and appreciation.

Mr. Cook, Board Vice-President, reported that, SEPAC has their annual Above and Beyond nominations going on right now. He stated that anybody who is nominated gets recognized and it is a wonderful opportunity to really recognize people that help out the kids with special needs. Mr. Cook said that you can nominate a bus driver, parapro, another student; students kind of get left behind on this, but it is a great opportunity. He mentioned that he hopes that they get a lot of students nominated because those students are really proud of that nomination.

Mr. Cook reported that to follow up on what Mrs. Roney said about Board functioning, he was back in his hometown and had the opportunity to attend one of their Board meetings and it was a little different. He stated that they could not get a nomination for their bank or for where they post their notifications. Mr. Cook said they would not nominate anyone or an alternate; they tabled it for further discussion. He mentioned that we (Board member) come here knowing what we want to do, how we are going to do it, and get things done.

Mr. Cook reported that we all work as seven (7) individuals for the students. He stated that we all have different ideals, but we have one goal, so to see how other Boards do it, makes you appreciate the way we do it.

Mr. Mena, Board Secretary, thanked Mrs. Holly finding the Board a new clock. He reported that dropped it a while ago and mentioned others have those clocks up. Mr. Mena stated that he believes that folks really appreciate when they are going up, to know how much time they have left. He said that he mentioned it in passing and then all of the sudden he got a call saying it was installed. Mr. Mena laughingly mentioned that he had to go out and take a three (3) week course to get certified on how to run it. He stated that he knows it is a small thing, but it is very much appreciated, so thank you; excellent executive functioning.

**Wayne Westland Community Schools, Wayne County**

**Time served on this board:** Seven years

**Offices held:** Vice President and Secretary

**MASB Certification:**

Certified Boardmember Award

Award of Merit

Award of Distinction

Master Boardmember Award

**Election Statement:**

My name is Melandie Hines and I have served on the Wayne Westland Board of Education for over 7 years. I have served as the Vice President for one year and as the Board Secretary for 3 years. I have a passion for serving on the Wayne Westland Community Schools Board of Education by earning the respect and love from my community. I pride myself on being involved in student activities such as; concerts, plays and being present in sporting events, even cheering at homecoming events with the Alumni Cheerleaders. I also received the Master Board Member Award with the Michigan Association of School Boards.

I have an expertise in campaign management and with a team of 10 people from the Wayne Westland Community School District and the help from several community organizations, we were able to pass a \$158 million bond successfully in 6 communities, Wayne, Westland, Inkster, Romulus, Canton and Dearborn Heights in 2018. The money from the 2018 Bond allowed us to be able to create a safe and secure environment for the students along with our construction upgrades. We were also able to upgrade our curriculum and give our staff a long overdue raise. I currently sit on the Executive Board for the 13th Congressional District, Policy Committee and the Career College Readiness Committee for the Wayne Westland Community Schools. I am in the organization Top Ladies of Distinction, serve as an Advisor for the Top Teens of America and mentored for the Champions of Wayne Mentoring Program.

My goal in education is to make sure that all schools have equity in funding so that every student has the same opportunities to be successful and work towards their goals in regards to their career. I love the model of "The Portrait of a Graduate;" to make sure that children are career ready, college ready and life ready. We have restructured our K-12 curriculum working to add STEAM and a virtual High School to adapt with the changes in education due to Covid and to make sure that our children are successful. Due to the Covid environment dealing with the social emotional issues with mental health is also important aspect to work towards. I have a lot of relationships with several districts in the Wayne County area and strive to work together to come up with a solution to make education equal and equitable for all students.

**Offices held:** President, Vice President and Secretary

**MASB Certification:**

- Certified Boardmember Award
- Award of Merit
- Award of Distinction
- Master Boardmember Award
- Master Diamond Award

**Election Statement:**

About 13 years ago, I started a journey of public service as a school board member in Southgate and had a passion to be part of change in education. It has been a pleasure to work on several committees including anti-bullying, strategic planning, safety, policy, and curriculum to name a few. I have held officer positions for the past 10 years including president, vice president, and secretary.

I have worked with WCASB as an executive board member for 11 years with an officer position for the last 10 years working on bylaw, procedures, and policy committees. Through MASB, I have participated in the Resolution and Bylaws and Government Relations committee over the past 11 years. I have served on the MASB board of directors for the last three years through Covid-19.

The conferences, workshops, and classes helped provide me with new insight on current issues and legislation in public education. I have earned awards and certifications leading to the highest level of Presidents Award. I have been part of the NSBA committees and have traveled to Washington several times to speak with legislators and fellow board members, which promoted collaboration and support for student achievement.

In addition to school board experiences, I have a Bachelor of Science Degree in Criminal Justice, an MBA with a discipline in Strategic Management, a PhD in Applied Management and Decision Sciences, continuing education in Education Leadership and Teacher Certification, and School Administrator Certification for the state of Michigan. I continue to write articles for the local newspaper on public and higher education including speaking on the prevention of bullying and safety in our communities and schools.

My career has been in business, management consulting, and education. As a college professor, I educate graduate students and develop graduate and undergraduate courses. I have a non-profit organization that conducts research in education and learning disabilities.

If given another opportunity to serve as an MASB Region 8 Director I will bring all of my experiences to fulfill the mission of the MASB to provide quality educational leadership services for school boards across Michigan while continuing to advocate for public education and student achievement especially through the Covid-19 gap. I will continue to work on the tough topics we face today in our schools including school violence, remote learning, and the pandemic.

**Election Statement:**

I would like to see public education continue to move forward utilizing new ideas, technology, and innovation. I have had 2 children graduate from Wyandotte Schools and 4 grandchildren attend as well. In the last 28 years of board service, I have seen much stay the same and much change. While funding and standardized testing seem to be a struggle that never ends, safety, student achievement and success must be the priority. Our work is never done, we can and should always strive for better. I expect to be seated on the WCASB Executive Board at their next meeting. I have always been an advocate of MASB and I am currently working on the President's Award Level. I appreciate the work and support MASB has provided over the years. I believe it is important for all boards to work together to find the best opportunities for all students. Twenty-eight years brings a bit of experience and the appetite to see students achieve and succeed never dies. I find it quite invigorating! I feel now is the right time for me to give back and help support this organization. I am asking you to vote for me to represent Region 8 on the MASB Board of Directors.
