POLICIES AND PROCEDURES FOR USING THE STANDARD SCHOOL SUPPLY LIST

1. POLICY AND PURPOSE

The California Education Code, Section 38110-38112, requires that the County Office establish a procedure for procurement of standard school supply items, and requires that elementary school districts having an average daily attendance of fewer than 2,500 students during the preceding year obtain such items through the cooperative purchasing plan as established. In compliance, the San Diego County Board of Education, in conjunction with the North County Educational Purchasing Consortium (NCEPC), has established this Standard School Supply List (SSSL).

The purpose of the list is to gain the advantage of combined purchasing power and to relieve school administrators from spending a disproportionate amount of time controlling purchasing activities.

2. ELEMENTARY SCHOOL DISTRICTS WITH FEWER THAN 2,500 STUDENTS AVERAGE DAILY ATTENDANCE

Alpine Union Cardiff	1323 Administration Way 1888 Montgomery Avenue	Alpine, CA 91901-9401 Cardiff, CA 92007-2399
Jamul-Dulzura Union Rancho Santa Fe	14581 Lyons Valley Road P.O. Box 809/5927 La Granada	Jamul, CA 91935-3324 Rancho Santa Fe, CA 92067-0809
San Pasqual Union Vallecitos Elem	15305 Rockwood Rd. 5211 Fifth Street	Escondido, CA 92027-6700 Rainbow, CA 92028-9796
Julian Union	1704 Cape Horn	Julian, CA 92036-0337

3. PURCHASES FROM OTHER SOURCES

The Standard School Supply List **does not** contain all of the items needed by a school district. Many items are not listed, as they are of such a nature that there is little or no advantage to contractual bidding; they are readily available at favorable prices. A district legally required to purchase through use of this list may make purchases from other sources when the items needed are not on this list, or when they are distinctively different from those listed. However, items that are similar or identical to those listed must be purchased from the list.

POLICIES AND PROCEDURES (Continued)

4. **APPLICABLE TIME PERIOD**

This list is in effect from January 1 through December 31 of the current calendar year.

5. **ORDER PLACEMENT**

Districts are to place their orders directly with the appropriate awarded vendor and will be invoiced directly by that vendor.

6. **DELIVERY TIME**

Vendors are required to make delivery as established on each section's awarded vendor list under: Delivery ARO. If deliveries are not made within that period, or if the vendor advises that they are unable to deliver as specified, the district may cancel the order and procure from another source.

7. **MINIMUM ORDERS AND SHIPPING TERMS**

The prices quoted are delivered prices when the total value of the order is over the minimum of \$50.00 to \$100.00, as specified on each bid. On orders of less than the minimum, the district will be billed at the prices listed, but with shipping charges prepaid and added to the invoiced price. Districts are encouraged to plan ahead and group orders to obtain free shipping.

8. **BID NUMBER AND ITEM NUMBERS TO BE UTILIZED**

On all purchase orders, please reference the **BID NUMBER**, and the **LINE ITEM NUMBER** with the item's description shown on this list.

POLICIES AND PROCEDURES (Continued)

9. ORDERING, RECEIVING, AND PAYMENT PROCEDURES

The usual and proper procedures are to be followed when utilizing this list:

- a. Each Purchase Order should be encumbered in the appropriate ledgers by account classification.
- b. Each Purchase Order is to include the **BID NUMBER**, the **ITEM NUMBER**, and the item's description.
- c. Each Purchase Order is to be priced.
- d. Each Purchase Order is to carry an authorized signature.
- e. The shipment, upon receipt, must be checked for condition and completeness.
- f. The district should take advantage of applicable cash discounts, if offered.

10. USE OF THE SSSL BY OTHER DISTRICTS

The SSSL is restricted to the districts listed on page i, item number 2, and to the San Diego County Office of Education.

RE: 2022-10 P.E. Supplies (Catalog Discount)

To Whom It May Concern:

S&S Worldwide, Inc. would like to extend your organization an 18% catalog discount. Please be aware that this discount will apply to the **catalog current at the time of order placement**; catalogs are printed annually by calendar year (January-December). The discount is off the **list price**; it will not apply to sale prices, special promotions, quantity breaks, or Internet sales or specials and cannot be combined with offer codes. S&S Worldwide does not provide installations, assembly, or removal of debris. Restocking fees up to 20% may apply to **dropship** items if returned; fees vary by manufacturer. S&S Worldwide *must* be contacted prior to returning a dropship product so that we can arrange for the return with the manufacturer. **The District will be eligible for free standard ground shipping on all orders***. Please reference contract #2022-10% on all correspondence to receive special pricing.

***Items labeled FOB/Dropship or “not available for free freight,” are not eligible for free shipping.** Freight charges for items not eligible for free freight will be prepaid and added to the invoice. S&S Worldwide cannot quote freight charges at the time of bid submission due to several varying factors such as: product weight, order quantity, and annual shipping cost increases. Freight charges assessed on these items are actual freight charges. If the District plans to order item(s) noted as Dropship or “not available for free freight” please contact us for a freight quote at the time of order. The discount does not apply to freight charges.

Orders requiring a truck for delivery do not include unloading and/or inside delivery and lift-gate services. If these services are required, please contact our customer service department at 800-243-9232 at the time of order placement. All orders shipping by common carrier (UPS, Fed EX, USPS) include inside delivery to the ground floor.

Payment terms are net 30 days. Delivery will be made within 30 days ARO.

If you have any questions, please do not hesitate to contact me.

Thank you,
