

In order to continue to build an effective home-school partnership, Mullins Elementary will provide the following:

An annual orientation meeting will be held at the beginning of each school year. Parents/Guardians will have the opportunity to meet with their child's teacher, receive information regarding the Title I School-wide Program, and a copy of the Parent School Compact. Homeroom teachers will be responsible for the distribution of these materials and a signed copy of the child's Parent School Compact will be kept on file in each homeroom.

A flexible number of meetings and activities will be held throughout each school year focusing on how parents, teachers, and administrators can work together to increase parent involvement by sharing concerns and offering suggestions for continued improvement.

Continuous communication to assist parents in understanding the curriculum, student performance levels, school expectations, assessment results, and any other concerns of the teacher or parent.

An annual survey for all Parents/Guardians will be conducted each school year to collect the opinions, concerns, and suggestions regarding the Title I School-wide Program.
