School Accountability Report Card
Reported Using Data from the 2020—2021 School Year
California Department of Education

Address:	85 Tilton Ave. Morgan Hill, CA , 95037-2504	Principal:	Lisa Martin, Principal
Phone:	(408) 201-6300	Grade Span:	10-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2021—2022)

Central High School is a continuation school for Morgan Hill Unified School District (MHUSD) and is located north of the city of Morgan Hill at the former Burnett Elementary School site, now renamed the Loritta Bonfante Johnson Education Center. The site hosts many alternative programs that provide viable alternative education opportunities for academic success. The programs include Central High School, 9-12 Advent Foster Home Youth program, a Post-Secondary Program life skills for special needs (18-21), Workability, Independent Study program, as well as a therapeutic day class serving students in grades 8-12. These alternate programs serve MHUSD students from the two comprehensive high schools in need of alternative education options and/or credit recovery. Site staff provide blended instruction with online and direct teaching with an emphasis on student personal growth, career options and academic success. The student body consists of tenth through twelfth grade students, 16 years or older, with a goal of credit recovery and high school diploma, or the CHSPE, students who wish to return to their original high school will work with the school counselor to ensure that they complete the necessary course work, or they will remain at Central in order to earn their high school diploma.

Central High School provides students with academic counseling services. The full time Guidance Counselor provides small group and 1:1 meetings with students to review their academic and post high school goals. Students use Naviance to research college and other post-secondary career options. Cal -SOAP provides a counselor three times a week at Central. The Cal-SOAP counselor provides students with guidance through the college application process, and also offer field trips to visit a variety of colleges. We also support students with weekly groups run by Community Solutions. Students are referred or can refer themselves to wellness center staff who provide personal counseling on-site as needed.

The school is accredited through the Western Association of Schools and Colleges (WASC) through 2023.

Current staff are credentialed and highly qualified as well as certified in Cross-cultural Language and Academic Development (CLAD) or Specially Designed Academic Instruction in English (SDAIE). A district nurse and psychologist both work as needed on site. Students with Individual Education Plans (IEPs) are supported by the Specialized Academic Support (SAI) teacher who works with our staff to support Special Education students. Students in this program may require a resource class or meet with the resource teacher for general support. Parents are encouraged to get involved in our School Site Council and English Language Advisory Committee (ELAC).

Community partnerships play an important role in student support. Community Solutions runs a weekly class to support student growth and goal setting. The Rotary and Kiwanis clubs provide student leadership opportunities with the Interact club weekly. Students are encouraged to participate in various athletic events with other like schools within Santa Clara County. Pro Com Sports provides students with the opportunity to participate in Softball, Football, and Basketball contests throughout the school year (dependent on current COVID-19 health and safety regulations).

Due to the pandemic, Central staff implemented regular home visits to students having low attendance rates. This remains in practice during in-person learning to re-engage truant students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Generally the entire campus (inside and outside) is well maintained. There are a number of door failures on the exterior doors from delamination that need to be resolved. Also, the face to a number of the plastic laminate counter tops has delaminated from the substrate and need to be replaced. Finally, the AC paving on the playground is at the end of its useful life and needs to have cracks filled and resurfaced.

Using the most recently collected Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2022

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019—2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019—2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2020—2021)

CTE programs offered at Central Continuation High School:

-Advanced MultiMedia

CTE courses satisfy graduation requirements and help students to gain skills in these areas. Central High School continues to increase CTE offerings each year to support students' college and career readiness. Industry professionals volunteer on advisory committees and provide lessons as guest instructors throughout the year. The goal of CTE is to develop a high standard of success in preparing our students for the next steps in their lives.

Sophomores, juniors, and seniors enrolled in CTE classes may research potential employers, answer questions in interviews, and write business letters and resumes as part of the CTE Arts Media and Entertainment pathway via Visual Communications and Computer Business Application. The site is developing work-study programs, internships, volunteer opportunities, and community service opportunities to support CTE. Students are eligible to attend the Career Technical Education (CTE) offerings at the two other traditional high schools in our district during school hours.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

Parents are welcome to join our Advisory Committee, School Site Council, ELAC, and Parent Ad Hoc group. The school's website, All Calls, and newsletters keep parents informed of school activities.

The school hosts a variety of events such as Back-to-School Night in the Fall and Open House in the Spring. We also host and attend special activities throughout the year such as the Holiday Lights Parade, award ceremonies, after-school programs, and parent workshops (Cal Soap, Financial, and FAFSA). These activities are dependent on COVID regulations put forth by the county of Santa Clara.

The Naviance and Aeries parent portals are provided to each guardian and trainings are held throughout the year or any time via zoom.

Interested parents/ guardians may contact the principal, who can be reached at (408) 201- 6300 ext. 42102 or our Community Liaison (Spanish) at 408-201-6300.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Expulsions	0.52%	0.00%	0.16%	0.00%	0.08%	0.00%

Suspensions and Expulsions for School Year 2019—2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	9.57%	3.64%	2.45%
Expulsions	0.00%	0.11%	0.05%

Note: The 2019—2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019—2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019—2020 school year compared to prior years.

School Safety Plan (School Year 2021-2022)

School Site Council reviews and updates the school's comprehensive safety plan yearly. The School Site Council reviewed the updated plan in August of 2021. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. The plan is available in the front office for parents to view. The school does regular drills with the Fire Department each year for fire drills as well as the MHPD for Run Hide and Defend drills. The plan also addresses the current concerns and guidelines in regards to COVID-19. The plan is shared with all staff annually during a school-wide staff meeting held most recently in September 2021.

Professional Development

Professional Development is delivered throughout the year. District staff development days before and at semester (1 in August and 1 in October for in the following years; 2019, 2020, and 2021), site staff meetings, summer or after school trainings are devoted many subjects such as aligning curriculum to state standards, technology as well as online platforms and google classroom, local and standardized test results, standards-based grading, exploring techniques for engaging students of different ability levels through differentiation and many other topics. There has been a focus on data and supporting student progress at monthly staff meetings in the fall of 2021.

Ongoing trainings are held to support English learners and students who struggle. Staff utilizes Google classroom to support digital learning as all students are issued or have access to Chromebooks. Staff is currently implementing Positive Behavior Intervention Systems (PBIS). The district has provided a coach for CM and PBIS to assist in successful implementation as well as ongoing Common Core, Next Generation Science Standards (NGSS), EL Achieve, and Instructional Rounds. Staff is utilizing tools from reading apprenticeship and is provided with training throughout the year by the lead teacher. These programs were agreed as areas of focus based on teachers' formal and informal assessments regarding student needs/areas of growth for students.
